# Safety Instruction Guide for STOCKMAKER'S HANDSCREWS

## Introduction

Thank you for choosing the Stockmaker's Handscrews by Forster Products, Inc. These handscrews are designed for final accurate fitting of the stock to action for various firearm models, including Remington 700, 721, 722; Savage 110; Weatherby MKV; and Dakota with a 1/4"28 thread. This guide provides essential safety instructions to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand all safety instructions before using the product.
- Ensure that the handscrews are suitable for the specific firearm model before use.
- Use the product only as intended and follow all instructions carefully.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the handscrews for any signs of damage or wear. Do not use damaged products.
- Report any unsafe product conditions to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that your working area is clean and free from distractions when using the handscrews.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when working with tools and firearms.
- Do not exceed the recommended torque specifications when tightening the screws to prevent damage or injury.
- Avoid using excessive force when operating the handscrews. If resistance is felt, stop and reassess the situation.
- Do not modify or alter the handscrews in any way, as this can compromise safety and functionality.
- Store the handscrews in a safe and dry location when not in use to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded and safe to handle before beginning any work.
- Gather all necessary tools and materials, including the Stockmaker's Handscrews.

### 2. Installation

- Align the stock with the action of the firearm.
- Insert the handscrews into the appropriate threaded holes, ensuring a snug fit.
- Handtighten the screws until they are secure, but do not overtighten.

### 3. Usage

- Once installed, check the alignment of the stock and make any necessary adjustments.
- Tighten the handscrews gradually, ensuring even pressure across the stock.
- Periodically check the tightness of the screws during use, especially after firing the firearm.

### 4. PostUse

- After completing your adjustments, carefully remove the handscrews and clean them if necessary.
- Store the handscrews in a designated storage area to prevent loss or damage.

## Disposal Instructions

- Dispose of any damaged or worn handscrews in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.

## Contact Information for Further Support

For any questions or concerns regarding the Stockmaker's Handscrews, please refer to the manufacturer's website or contact their customer service department. Always ensure you have the product details ready when seeking assistance.

By following these guidelines, you can ensure safe and effective use of the Stockmaker's Handscrews. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
