Absolutely Essential For Accurate, Safe, Chamber Work

FORSTER SAAMI RIMLESS HEADSPACE GAUGES The Forster Headspace Gauges are precision instruments designed to help gunsmiths and firearm enthusiasts accurately measure the headspace of rifle chambers, ensuring firearms operate safely and reliably. Proper headspace is critical for preventing malfunctions such as misfires, case ruptures, or excessive wear, which can compromise both performance and safety. These gauges are indispensable when chambering new barrels, performing routine maintenance, or evaluating used firearms for purchase. Key Features: Precision Engineering: Machined to exacting SAAMI specifications, these gauges provide accurate measurements to verify that a firearm's chamber meets industry standards. Variety of Gauges: Available in "Go," "No-Go," and "Field" configurations, each gauge serves a specific purpose: Go Gauge: Confirms the minimum chamber size, ensuring the firearm will chamber and fire a cartridge safely. No-Go Gauge: Checks that the chamber does not exceed the maximum recommended headspace; the bolt should not close on this gauge. Field Gauge: Used to determine the absolute maximum safe headspace; if the bolt closes on this gauge, the firearm is considered unsafe to shoot. Durable Construction: Crafted from high-grade steel and hardened for longevity, these gauges withstand repeated use without compromising accuracy. Specifications: Material: Hardened steel Dimensions: Specific to each caliber and gauge type Compliance: Manufactured to SAAMI specifications Customer Insights: Customers commend the Forster Headspace Gauges for their precision and reliability. The clear differentiation between "Go," "No-Go," and "Field" gauges allows users to perform comprehensive headspace assessments confidently. The durable construction ensures that the gauges maintain their integrity and accuracy over time, even with frequent use. Users also appreciate the wide range of calibers available, making it easy to find the appropriate gauge for various firearms. Incorporating the Forster Headspace Gauges into your gunsmithing toolkit ensures that your rifle chambers are within safe operational limits, enhancing both safety and performance.

Attributes

- Name: [FORSTER PRODUCTS, INC. 257 ROBERTS GO GAUGE HEADSPACE GAUGE STEEL](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 319418080
- Mfr. No.: HG0257G
- Cartridge: 257 Roberts, 7 mm Mauser (7 x 57 mm Mauser)
- Colour: Steel
- Height: 0.47"
- Length: 1.794"
- Material: Steel
- Model Number: 257 Roberts GO
- Style: Go Gauge
- Weight: 0.098 lbs

- Width: 0.47"
- Delivery weight: 0.041kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 757253004421

Safety Instruction Guide for HEADSPACE GAUGES FORSTER PRODUCTS, INC. 257 ROBERTS GO GAUGE HEADSPACE GAUGE STEEL

Introduction

Thank you for choosing the HEADSPACE GAUGES FORSTER PRODUCTS, INC. 257 ROBERTS GO GAUGE HEADSPACE GAUGE STEEL. This guide provides essential safety instructions to ensure the safe use of this product. Please read this guide thoroughly before using the gauge to ensure proper handling and to avoid any potential hazards.

General Safety Guidelines

- Always ensure the gauge is used in accordance with the manufacturer's instructions.
- Inspect the gauge for any visible damage before use. Do not use if damaged.
- Use the gauge in a controlled environment, free from distractions.
- Keep the gauge out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure you are familiar with the specific rifle chamber dimensions before using the gauge.
- When checking headspace, always wear appropriate eye protection.
- Do not attempt to modify or alter the gauge in any way.
- Only use the gauge with compatible cartridges as specified by the manufacturer.
- Always check the headspace of a used firearm before firing to ensure safety.
- Follow all firearm safety protocols while using the gauge.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and safety equipment, including eye protection.

2. Using the Gauge:

- Insert the gauge into the chamber of the rifle.
- Ensure it fits snugly but does not require excessive force.
- Check the fit against the specifications for the rifle chamber.
- If the gauge does not fit properly, consult a qualified gunsmith before proceeding.

3. PostUse:

- Remove the gauge from the chamber carefully.
- Clean the gauge according to the manufacturer's recommendations.
- Store the gauge in a safe and dry location.

Disposal Instructions

- Dispose of the gauge in accordance with local regulations regarding metal and firearms accessories.
- Do not dispose of the gauge in regular household waste.

- If the gauge is damaged beyond repair, contact a local recycling center for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and use of this product, please contact the manufacturer's customer support service. They can provide additional guidance and address any concerns you may have.

By following these safety instructions, you can ensure a safe and effective experience with your HEADSPACE GAUGES FORSTER PRODUCTS, INC. 257 ROBERTS GO GAUGE HEADSPACE GAUGE STEEL. Thank you for prioritizing safety while using this product.
