## Absolutely Essential For Accurate, Safe, Chamber Work

FORSTER SAAMI RIMLESS HEADSPACE GAUGES The Forster Headspace Gauges are precision instruments designed to help gunsmiths and firearm enthusiasts accurately measure the headspace of rifle chambers, ensuring firearms operate safely and reliably. Proper headspace is critical for preventing malfunctions such as misfires, case ruptures, or excessive wear, which can compromise both performance and safety. These gauges are indispensable when chambering new barrels, performing routine maintenance, or evaluating used firearms for purchase. Key Features: Precision Engineering: Machined to exacting SAAMI specifications, these gauges provide accurate measurements to verify that a firearm's chamber meets industry standards. Variety of Gauges: Available in "Go," "No-Go," and "Field" configurations, each gauge serves a specific purpose: Go Gauge: Confirms the minimum chamber size, ensuring the firearm will chamber and fire a cartridge safely. No-Go Gauge: Checks that the chamber does not exceed the maximum recommended headspace; the bolt should not close on this gauge. Field Gauge: Used to determine the absolute maximum safe headspace; if the bolt closes on this gauge, the firearm is considered unsafe to shoot. Durable Construction: Crafted from high-grade steel and hardened for longevity, these gauges withstand repeated use without compromising accuracy. Specifications: Material: Hardened steel Dimensions: Specific to each caliber and gauge type Compliance: Manufactured to SAAMI specifications Customer Insights: Customers commend the Forster Headspace Gauges for their precision and reliability. The clear differentiation between "Go," "No-Go," and "Field" gauges allows users to perform comprehensive headspace assessments confidently. The durable construction ensures that the gauges maintain their integrity and accuracy over time, even with frequent use. Users also appreciate the wide range of calibers available, making it easy to find the appropriate gauge for various firearms. Incorporating the Forster Headspace Gauges into your gunsmithing toolkit ensures that your rifle chambers are within safe operational limits, enhancing both safety and performance.

## Attributes

- Name: [FORSTER PRODUCTS, INC. 30-30 WINCHESTER GO GAUGE HEADSPACE GAUGE STEEL](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 319418220
- Mfr. No.: BG3030G
- Cartridge: 30-30 Winchester, 22 Savage High Power, 219 Donaldson Wasp, 219 Zipper, 32 Winchester Special, 25-35 Winchester, 7-30 Waters, 30 Herrett, 303 Savage, 307 Winchester, 32-40 Winchester, 356 Winchester, 375 Win
- Colour: Steel
- Height: 0.5"
- Length: 2"
- Material: Steel
- Model Number: 30-30 Winchester GO

- Style: Go Gauge
- Weight: 0.1 lbs
- Width: 0.5"
- Delivery weight: 0.027kg
- Shipping height: 20mm
- Shipping width: 89mm
- Shipping length: 89mm
- UPC: 757253002847

# **Safety Instruction Guide for HEADSPACE GAUGES FORSTER PRODUCTS, INC. 3030 WINCHESTER GO GAUGE HEADSPACE GAUGE STEEL**

## **Introduction**

Thank you for choosing the HEADSPACE GAUGES FORSTER PRODUCTS, INC. 3030 WINCHESTER GO GAUGE HEADSPACE GAUGE STEEL. This product is essential for accurately measuring and testing the length of the chamber in your rifle. Proper use of this gauge ensures a tight, accurate, and safe chamber, especially when chambering a new barrel. This guide provides important safety instructions and guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Always check the headspace before firing a used gun.
- Ensure that you are familiar with the specifications of the gauge and the firearm you are using.
- Follow all safety protocols and guidelines provided by the firearm manufacturer.
- Store the gauge in a safe, dry place away from children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Use the gauge only for its intended purpose of measuring headspace.
- Do not attempt to modify or alter the gauge in any way.
- Wear appropriate safety gear, including eye protection, when using firearms.
- Ensure the firearm is unloaded before performing any measurements.
- Avoid using the gauge in damp or humid conditions to prevent rust and corrosion.
- Keep the gauge clean and free from debris after each use.
- If you experience any difficulty or uncertainty while using the gauge, cease use immediately and consult a qualified gunsmith.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure that the firearm is completely unloaded.
- Gather necessary tools and materials, including the headspace gauge and any required cleaning supplies.

### **2. Using the Gauge:**

- Insert the gauge into the chamber of the rifle.
- Ensure that the gauge fits snugly without excessive force; if it does not fit, do not attempt to force it.
- Check the headspace measurement according to the specifications provided by the firearm manufacturer.
- If the gauge indicates that the headspace is out of specification, consult a qualified gunsmith before using the firearm.

### **3. Post Usage:**

- After use, clean the gauge with a soft cloth to remove any residue or debris.

- Store the gauge in its original packaging or a protective case to prevent damage.

## **Disposal Instructions**

- Dispose of the gauge in accordance with local regulations regarding metal and electronic waste.
- Do not dispose of the gauge in regular household waste.
- If the gauge is damaged or no longer usable, consult local recycling facilities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please reach out to the manufacturer's customer service or consult a qualified gunsmith for assistance.

Thank you for taking the time to read this safety instruction guide. Your safety and the safety of others is our top priority. Please use this product responsibly and in accordance with the provided guidelines.
