## Absolutely Essential For Accurate, Safe, Chamber Work

FORSTER SAAMI RIMLESS HEADSPACE GAUGES The Forster Headspace Gauges are precision instruments designed to help gunsmiths and firearm enthusiasts accurately measure the headspace of rifle chambers, ensuring firearms operate safely and reliably. Proper headspace is critical for preventing malfunctions such as misfires, case ruptures, or excessive wear, which can compromise both performance and safety. These gauges are indispensable when chambering new barrels, performing routine maintenance, or evaluating used firearms for purchase. Key Features: Precision Engineering: Machined to exacting SAAMI specifications, these gauges provide accurate measurements to verify that a firearm's chamber meets industry standards. Variety of Gauges: Available in "Go," "No-Go," and "Field" configurations, each gauge serves a specific purpose: Go Gauge: Confirms the minimum chamber size, ensuring the firearm will chamber and fire a cartridge safely. No-Go Gauge: Checks that the chamber does not exceed the maximum recommended headspace; the bolt should not close on this gauge. Field Gauge: Used to determine the absolute maximum safe headspace; if the bolt closes on this gauge, the firearm is considered unsafe to shoot. Durable Construction: Crafted from high-grade steel and hardened for longevity, these gauges withstand repeated use without compromising accuracy. Specifications: Material: Hardened steel Dimensions: Specific to each caliber and gauge type Compliance: Manufactured to SAAMI specifications Customer Insights: Customers commend the Forster Headspace Gauges for their precision and reliability. The clear differentiation between "Go," "No-Go," and "Field" gauges allows users to perform comprehensive headspace assessments confidently. The durable construction ensures that the gauges maintain their integrity and accuracy over time, even with frequent use. Users also appreciate the wide range of calibers available, making it easy to find the appropriate gauge for various firearms. Incorporating the Forster Headspace Gauges into your gunsmithing toolkit ensures that your rifle chambers are within safe operational limits, enhancing both safety and performance.

## Attributes

- Name: [FORSTER PRODUCTS, INC. BELTED MAGNUM NO-GO GAUGE HEADSPACE GAUGE STEEL](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 319418251
- Mfr. No.: BG300MN
- Cartridge: 264 Winchester Magnum, 6.5mm Remington Magnum, 257 STW (Shooting Times Westerner), 257 Weatherby Magnum, 6.5 STW, 270 Weatherby Magnum, 7 mm Remington Magnum, 7 mm Weatherby Magnum, 300 H&H Magnum, 300 Weatherby Magnum, CKK
- Colour: Steel
- Height: 0.5"
- Length: 1.5"
- Material: Steel
- Model Number: Belted Magnum NO GO

- Style: No Go Gauge
- Weight: 0.095 lbs
- Width: 0.5"
- Delivery weight: 0.041kg
- Shipping height: 23mm
- Shipping width: 86mm
- Shipping length: 86mm
- UPC: 757253002823

# Safety Instruction Guide for Headspace Gauges

## Introduction

Thank you for choosing the Forster Products, Inc. Belted Magnum NoGo Gauge. This product is essential for accurately measuring and testing the length of your rifle's chamber. Proper use of this gauge ensures a safe, accurate, and tight chamber, especially when chambering a new barrel or checking a used firearm. This guide provides important safety instructions and guidelines to ensure safe usage in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle the headspace gauge with care and store it in a safe place when not in use.
- Ensure that the gauge is free from dirt and debris before use to prevent inaccurate measurements.
- Use the gauge only for its intended purpose, which is to measure headspace in firearms.
- Keep the gauge out of reach of children and unauthorized users.
- Regularly inspect the gauge for any signs of wear or damage. Do not use a damaged gauge.
- Follow all local laws and regulations regarding firearm safety and usage.

## Specific Safety Precautions for Use

- **Hazard Identification:** Improper use of the gauge can lead to unsafe firearm conditions, potentially resulting in accidents or injuries.
- **Avoiding Hazards:**
  - Always check that the gauge is compatible with your specific firearm caliber.
  - Never attempt to modify the gauge or use it in a manner not intended by the manufacturer.
  - Ensure that the firearm is unloaded and pointed in a safe direction before using the gauge.
  - After measuring, always return the gauge to its protective case to prevent damage.
- **Age Specific Warnings:** This product is not intended for use by individuals under the age of 18. Always supervise minors when handling firearms or related equipment.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have a clean, welllit workspace.
- Gather all necessary tools and materials, including the headspace gauge and the firearm to be measured.

### 2. Using the Gauge:

- Verify that the firearm is unloaded and safe to handle.
- Insert the NoGo gauge into the chamber of the firearm.
- Gently close the bolt. If the bolt does not close fully, the headspace is acceptable. If the bolt closes completely, the headspace is too long, and adjustments are needed.

### 3. After Use:

- Remove the gauge from the chamber and clean it as necessary.
- Store the gauge in its protective case to prevent damage.

## **Disposal Instructions**

- Dispose of the headspace gauge responsibly. If the gauge is damaged or no longer usable, follow local guidelines for disposing of metal products.
- Do not throw the gauge in regular household waste. Check with local authorities for recycling or disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the headspace gauge, please refer to the manufacturer's contact information provided on the packaging or the official website.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure safe and effective use of the Forster Products, Inc. Belted Magnum NoGo Gauge. Always prioritize safety and adhere to local regulations when handling firearms and related equipment.

Thank you for your attention to safety, and enjoy your shooting experience!
