This guide provides essential safety instructions and information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that this product is used only for its intended purpose as a replacement bolt handle for the Nylon 66 firearm.
- Always handle firearms with care and follow all safety protocols associated with firearm use.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the bolt handle for any signs of wear or damage before each use.
- If you notice any defects or malfunctions, discontinue use immediately and seek professional assistance.

## Specific Safety Precautions for Use

- Only use the REMINGTON NYLON 66 BOLT HANDLE FORTMANN'S 66 BOLT HANDLE with compatible firearms.
- Avoid exposing the handle to harsh chemicals, oils, or solvents that may compromise its integrity.
- When installing the bolt handle, ensure that the firearm is unloaded and pointed in a safe direction.
- Do not attempt to modify or alter the bolt handle in any way, as this may lead to unsafe conditions.
- If you are unsure about the installation or use of this product, consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather necessary tools for installation, if required (consult your firearm's manual for specifics).

### 2. Installation:

- Remove the old or damaged bolt handle from the firearm according to the manufacturer's instructions.
- Align the new REMINGTON NYLON 66 BOLT HANDLE with the bolt assembly.
- Securely attach the bolt handle, ensuring it is firmly in place without any obstructions.
- Doublecheck that the handle operates smoothly before reassembling the firearm.

### 3. Usage:

- Once installed, operate the bolt handle with care, ensuring it functions as intended.
- Regularly check the handle for secure attachment and any signs of wear during use.
- Follow all standard firearm safety practices while using the firearm.

## Disposal Instructions

- Dispose of any old or damaged bolt handles in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.

- Ensure that any parts that may pose a safety risk are rendered unusable before disposal.
