## 740 DUST COVER Safety Instruction Guide

### Introduction

Thank you for choosing the REMINGTON 740/742 Dust Cover by Fortmanns. This product is designed to improve reliability and function, preventing unnecessary wear by keeping dirt and debris from entering through the ejection port and obstructing the action. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

### General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or removing the dust cover.
- Regularly inspect the dust cover for wear or damage. Replace it if any defects are found.
- Keep the dust cover clean and free of debris to maintain optimal functionality.
- Store the dust cover in a cool, dry place away from direct sunlight and extreme temperatures.
- Follow all local laws and regulations regarding firearm accessories.

### Specific Safety Precautions for Use

- Do not use the dust cover if it shows signs of damage or wear.
- Ensure that the dust cover is compatible with Remington models 740 and 742 only.
- Avoid using the dust cover with any other firearm models to prevent safety hazards.
- Be cautious when handling the firearm to avoid accidental discharge.
- Always follow the manufacturer's instructions for the firearm in conjunction with this dust cover.

### Instructions for Installation and Usage

#### 1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, if required.

#### 2. Installation

- Align the dust cover with the ejection port of the firearm.
- Firmly press the dust cover into place until it is securely fitted.
- Check that the dust cover is properly seated and does not obstruct any moving parts of the firearm.

#### 3. Usage

- Use the dust cover whenever the firearm is not in use to protect against dirt and debris.
- Regularly check the dust cover during routine maintenance of the firearm.

#### 4. Removal

- To remove the dust cover, gently pull it away from the ejection port.
- Inspect the dust cover for any signs of wear or damage before reinstallation.

### Disposal Instructions

- Dispose of the dust cover in accordance with local regulations for plastic waste.

- Do not incinerate the dust cover as it may release harmful substances.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please contact the manufacturer or your retailer. Ensure that you have the product details available for reference.

By following these safety instructions, you can ensure the safe and effective use of the REMINGTON 740/742 Dust Cover. Thank you for your attention to safety and for choosing our product.
