

# EOTECH 511/512/551/552 LENS COVER MODULE - GG&G 511, 512, 551, 552 LENS COVERS

[Optics & Mounting](#) > [Optic Accessories](#) > [Electronic Sight Accessories](#)

## Protects The Lenses From Weather & Damage; Flips Open Instantly

Flexible rubber body with spring-loaded, ABS plastic covers help seal out dirt, dust and moisture to keep the lens surfaces of your EOTech holographic sight clean, scratch-free, and ready for use in all shooting conditions. Tabs on the right and left sides of the covers allow a fast, ambidextrous flip-open action with thumb or finger pressure. Front cover opens to near horizontal position to help block rain or sunlight. Rear cover folds back on top of the EOTech's protective hood to ensure an unobstructed view through the sight. Body section installs under the EOTech protective hood, so it's not even visible. Noise-absorbing neoprene pads dampen the sound of the rear lens cover contacting the hood during covert operations.

## Attributes

- Name: [GG&G 511, 512, 551, 552 LENS COVERS](#)
- Manufacturer: [GG&G](#)
- Product no.: 336000007

# EOTECH 511/512/551/552 Lens Cover Module Safety Instructions

## Introduction

Thank you for choosing the EOTECH 511/512/551/552 Lens Cover Module. This product is designed to enhance the protection of your EOTech holographic sight from dirt, dust, and moisture. To ensure safe and effective use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Ensure that the lens cover module is compatible with your specific EOTech model (511, 512, 551, or 552) before installation.
- Always inspect the lens cover module for any signs of damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Avoid exposing the lens cover module to extreme temperatures or harsh chemicals, as this may affect its performance and durability.
- Use the lens cover module only for its intended purpose. Misuse may lead to product failure or injury.

## Specific Safety Precautions for Use

- When opening the lens covers, use thumb or finger pressure on the tabs located on the right and left sides. Avoid using excessive force.
- Ensure that the front cover is securely closed when not in use to protect the lens from environmental elements.
- When using the rear cover, make sure it folds back properly on top of the EOTech's protective hood to maintain an unobstructed view.
- Be cautious of the noise produced when the rear lens cover contacts the hood during covert operations. The neoprene pads are designed to dampen sound, but additional care is advised in quiet environments.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the lens cover module from its packaging.
- Locate the EOTech protective hood on your sight.
- Position the body section of the lens cover module under the protective hood. Ensure it is aligned correctly and is not visible from the outside.
- Use the included Torx wrenches to secure the lens cover module in place according to the manufacturer's instructions.

### 2. Usage:

- To open the front cover, apply gentle pressure to the tab on the right or left side. The cover will flip open for quick access.
- To close the front cover, gently push it back into place until it clicks securely.
- For the rear cover, gently fold it back onto the protective hood to ensure a clear sightline.
- Always check that both covers are properly secured after use to maintain lens protection.

## Disposal Instructions

- Dispose of the lens cover module in accordance with local regulations for electronic waste and plastic materials.

- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the EOTECH Lens Cover Module, please refer to the manufacturer's website or contact your local distributor for assistance. Always ensure you have the latest safety information and product updates.

Thank you for your attention to these safety instructions. Enjoy the enhanced protection and performance provided by your EOTECH Lens Cover Module.
