

# SHOTGUN SLING MOUNT - GG&G REM RIGHT HAND REAR MOUNT

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstock Hardware](#) > [Sling Swivel Components](#)

## Allows Smooth, Unrestricted Sling Movement

Designed for tactical operations, these mounts place the rear sling attachment point in front of the operator, so you can quickly shoulder your weapon without getting tangled. Allows single point sling attachment, or use with a front sling mount for two-point sling installation. Loop accepts slings up to 1¼" wide. Rear Mount installs directly behind receiver, in front of buttstock. Precision machined from aluminum billet, then hardcoat anodized matte black. Right hand model for Remington 870, 1100, and 11-87 positions sling on left side of stock. Ambidextrous model for Remington 870, 1100, and 11-87 accepts HK-style clasps and other clip-on sling fasteners. Rem Front Mount positions the sling on the right side for Remington shotguns with external retention type magazine caps.

# Safety Instruction Guide for SHOTGUN SLING MOUNT GG&G REM RIGHT HAND REAR MOUNT

## Introduction

Thank you for choosing the SHOTGUN SLING MOUNT GG&G REM RIGHT HAND REAR MOUNT. This product is designed to improve the functionality and safety of your firearm during tactical operations. It is important to read and understand this safety instruction guide to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is installed correctly and securely before use.
- Always handle firearms with care and follow all safety protocols.
- Check for any visible damage or wear on the sling mount before use.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only compatible slings with a maximum width of 1¼ inches.
- Ensure the sling mount is correctly positioned to avoid interference with the operation of the firearm.
- Do not use the sling mount if it shows signs of damage or wear.
- Always follow the manufacturer's guidelines for installation and usage.
- If using the ambidextrous model, ensure that it is properly configured for your firearm model.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Location:** Identify the rear receiver area of your Remington shotgun (models 870, 1100, or 1187).
3. **Mounting:**
  - For the Right Hand Rear Mount:
    - Align the mount directly behind the receiver and in front of the buttstock.
    - Use the provided screws to secure the mount in place.
  - For the Ambidextrous Rear Mount:
    - Follow the same steps as above, ensuring compatibility with your specific model.
4. **Check Stability:** After installation, check that the mount is secure and does not move.

### Usage

- Attach your sling to the mount, ensuring it is properly secured.
- Adjust the sling to your desired length for optimal comfort and usability.
- Regularly inspect the sling and mount for any signs of wear or damage during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- If the product is damaged or no longer usable, contact local waste disposal services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SHOTGUN SLING MOUNT GG&G REM RIGHT HAND REAR MOUNT, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines and instructions, you can ensure safe and effective use of your SHOTGUN SLING MOUNT GG&G REM RIGHT HAND REAR MOUNT. Thank you for your attention to safety.
