

SHOTGUN SLING MOUNT - REM AMBIDEXTROUS REAR MOUNT

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstock Hardware](#) > [Sling Swivel Components](#)

Allows Smooth, Unrestricted Sling Movement

Designed for tactical operations, these mounts place the rear sling attachment point in front of the operator, so you can quickly shoulder your weapon without getting tangled. Allows single point sling attachment, or use with a front sling mount for two-point sling installation. Loop accepts slings up to 1¼" wide. Rear Mount installs directly behind receiver, in front of buttstock. Precision machined from aluminum billet, then hardcoat anodized matte black. Right hand model for Remington 870, 1100, and 11-87 positions sling on left side of stock. Ambidextrous model for Remington 870, 1100, and 11-87 accepts HK-style clasps and other clip-on sling fasteners. Rem Front Mount positions the sling on the right side for Remington shotguns with external retention type magazine caps.

SHOTGUN SLING MOUNT REM AMBIDEXTROUS REAR MOUNT Safety Instruction Guide

Introduction

Thank you for choosing the Shotgun Sling Mount Rem Ambidextrous Rear Mount. This product is designed to enhance your tactical operations by providing a secure and efficient sling attachment point for your Remington shotguns. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting the sling mount.
- Regularly inspect the sling mount for any signs of wear or damage. Replace it immediately if any issues are found.
- Keep the sling mount and all related equipment out of reach of children and unauthorized users.
- Use the sling mount only as intended and in accordance with the manufacturer's instructions.
- If you experience any issues or have concerns about the product, discontinue use and seek assistance.

Specific Safety Precautions for Use

- Ensure that the sling is securely attached to the mount before shouldering your weapon.
- Avoid using the sling mount with slings that exceed the specified width of 1¼ inches.
- Do not modify the sling mount or use it in ways not specified in the instructions.
- Be aware of your surroundings and ensure that the area is clear when shouldering your weapon.
- If using the ambidextrous model, ensure that the sling fasteners are compatible to avoid accidental detachment.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your firearm is unloaded and in a safe position.
2. **Mounting the Rear Sling Mount:**
 - Locate the receiver area of your Remington shotgun.
 - Align the rear sling mount with the designated mounting area behind the receiver and in front of the buttstock.
 - Securely attach the mount using the provided hardware, ensuring it is tightened to prevent movement.
3. **Attaching the Sling:**
 - For the righthand model, attach the sling to the left side of the stock.
 - For the ambidextrous model, attach your sling using HKstyle clasps or compatible clipon fasteners.
4. **Front Sling Mount Installation** (if applicable):
 - Position the front sling mount on the right side of the shotgun, ensuring compatibility with the external retention type magazine caps.
 - Secure the front mount using the provided hardware.

Usage

- To use the sling mount, simply shoulder your weapon as you normally would, ensuring that the sling is not tangled or caught on any equipment.
- Adjust the length of the sling as needed for comfort and accessibility.
- Always maintain control of your firearm and be mindful of the safety of yourself and others.

Disposal Instructions

- Dispose of the sling mount in accordance with local regulations and guidelines for metal products.
- If the product is damaged or no longer usable, please recycle it where facilities exist to minimize environmental impact.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the Shotgun Sling Mount Rem Ambidextrous Rear Mount, please refer to the manufacturer's website or customer service resources.

Thank you for prioritizing safety while using the Shotgun Sling Mount Rem Ambidextrous Rear Mount. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
