

# EOTECH XPS2 & XPS3 LENS COVER MODULE - GG&G XPS2 & XPS3 LENS COVERS

[Optics & Mounting](#) > [Optic Accessories](#) > [Electronic Sight Accessories](#)

Flexible rubber body with spring-loaded, ABS plastic covers help seal out dirt, dust and moisture to keep the lens surfaces of your EOTech holographic sight clean, scratch-free, and ready for use in all shooting conditions. Tabs on the right and left sides of the covers allow a fast, ambidextrous flip-open action with thumb or finger pressure. Front cover opens to near horizontal position to help block rain or sunlight. Rear cover folds back on top of the EOTech's protective hood to ensure an unobstructed view through the sight. Body section installs under the EOTech protective hood, so it's not even visible. Noise-absorbing neoprene pads dampen the sound of the rear lens cover contacting the hood during covert operations.

## Attributes

- Name: [GG&G XPS2 & XPS3 LENS COVERS](#)
- Manufacturer: [GG&G](#)
- Product no.: 336000038
- Mfr. No.: GGG-1272

# EOTECH XPS2 & XPS3 Lens Cover Module Safety Instructions

## Introduction

Thank you for choosing the EOTECH XPS2 & XPS3 Lens Cover Module by GG&G. This product is designed to protect the lens surfaces of your EOTech holographic sight from dirt, dust, and moisture. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the lens cover module is compatible with your EOTech model (XPS2 or XPS3).
- Always inspect the lens cover module for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse or accidents.
- Avoid using the lens cover module in extreme temperatures or conditions beyond its specified limits.
- Report any unsafe conditions or product failures to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the lens cover module only as intended, following the provided instructions.
- Ensure that both the front and rear covers are securely attached before use.
- When opening the covers, do so gently to prevent damage to the mechanism.
- Avoid applying excessive force when using the flipopen action, as this may cause damage.
- Be cautious of surrounding objects when flipping open the covers to prevent injury or damage.
- The noiseabsorbing neoprene pads are designed to dampen sound; however, be mindful of your environment during covert operations.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Installation Area:** Ensure that the area is clean and free from dust or debris.
2. **Remove the Protective Hood:** Carefully detach the protective hood from your EOTech sight.
3. **Install the Body Section:** Place the body section of the lens cover module under the protective hood. Ensure it is positioned correctly and is not visible.
4. **Secure the Covers:** Attach the ABS plastic covers to the body section. Ensure they are firmly in place.
5. **Use Torx Wrenches:** Utilize the included Torx wrenches for securing any necessary screws during installation.

### Usage

1. **Opening the Covers:** To open the front cover, apply gentle thumb or finger pressure on the tabs located on the right and left sides. The cover will flip open to a nearhorizontal position.
2. **Using the Rear Cover:** The rear cover can be folded back on top of the protective hood to maintain an unobstructed view through the sight.
3. **Closing the Covers:** Ensure both covers are securely closed when not in use to protect the lenses from environmental factors.

## Disposal Instructions

- Dispose of the lens cover module in accordance with local regulations.
- Recycle components where applicable, particularly plastic and rubber materials.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please reach out to the manufacturer or your retailer for assistance. It is important to keep your product documentation for reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your EOTECH XPS2 & XPS3 Lens Cover Module!
