

SHOTGUN SLING MOUNT - GG&G MOSS 500/590 SINGLE POINT SLING ATTACHMENT

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstock Hardware](#) > [Sling Swivel Components](#)

Allows Smooth, Unrestricted Sling Movement

Designed for tactical operations, these mounts place the rear sling attachment point in front of the operator, so you can quickly shoulder your weapon without getting tangled. Allows single point sling attachment, or use with a front sling mount for two-point sling installation. Loop accepts slings up to 1 $\frac{1}{4}$ " wide. Rear Mount installs directly behind receiver, in front of buttstock. Precision machined from aluminum billet, then hardcoat anodized matte black. Right hand model for Remington 870, 1100, and 11-87 positions sling on left side of stock. Ambidextrous model for Remington 870, 1100, and 11-87 accepts HK-style clasps and other clip-on sling fasteners. Rem Front Mount positions the sling on the right side for Remington shotguns with external retention type magazine caps.

Safety Instruction Guide for SHOTGUN SLING MOUNT GG&G MOSS 500/590 SINGLE POINT SLING ATTACHMENT

Introduction

Thank you for choosing the SHOTGUN SLING MOUNT GG&G MOSS 500/590 SINGLE POINT SLING ATTACHMENT. This product is designed to enhance your tactical operations by providing a secure and efficient way to attach your sling. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in nonfood applications. Ensure you understand how to use it properly to avoid any potential risks.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall occurs, follow the instructions provided for safe returns or remedies.
- **Online Shopping Protections:** If purchased online, ensure that the platform complies with safety regulations equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries regarding this product, contact the designated EUbased support.
- **Rapid Alerts:** Keep an eye on the EU's Safety Gate platform for updates on product safety and potential hazards.

Specific Safety Precautions for Use

- **Proper Use:** Always use the sling mount as intended. Do not modify or alter the product in any way.
- **Inspection:** Before each use, inspect the sling mount for signs of wear or damage. Do not use if any parts are damaged.
- **Weight Limit:** Ensure that the sling mount is used within its specified weight limits to prevent failure.
- **Installation:** Follow the installation instructions carefully to ensure a secure fit. Improper installation can lead to accidents.
- **Avoiding Entanglement:** Ensure that the sling does not get tangled during operation. Familiarize yourself with the sling's positioning before use.
- **Ambidextrous Use:** If using the ambidextrous model, ensure that it is properly adjusted for your dominant hand to avoid accidental disengagement.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, such as a screwdriver and any other hardware provided.
2. **Identify Mounting Location:** The rear mount should be installed directly behind the receiver and in front of the buttstock.
3. **Secure the Mount:**
 - For the Rem Rear Mount: Use the provided screws to attach the mount securely. Ensure it is tight and does not wobble.
 - For the Rem Ambidextrous Rear Mount: Follow the same procedure, ensuring it is adjusted for your dominant side.

- For the Rem Front Mount: Position the mount on the right side for shotguns with external retention type magazine caps and secure it properly.

4. **Check Stability:** After installation, check that the mount is stable and securely attached before use.

Usage Instructions

- **Attaching the Sling:** Loop the sling through the mount and ensure it is secured. For single point attachment, make sure the sling is not twisted.
- **Adjusting the Sling:** Adjust the length of the sling to ensure it fits comfortably when shouldered. Make sure it allows for quick access and shouldering of the weapon.
- **Safety Check:** Before each use, perform a safety check to ensure that the sling is functioning correctly and that there are no obstructions.

Disposal Instructions

- **Disposal of Product:** When the product reaches the end of its life, dispose of it in accordance with local regulations. Do not dispose of in regular household waste if it contains hazardous materials.
- **Recycling:** If possible, recycle any metal parts through appropriate recycling channels to minimize environmental impact.

Contact Information for Further Support

For any questions or further assistance regarding the SHOTGUN SLING MOUNT GG&G MOSS 500/590 SINGLE POINT SLING ATTACHMENT, please reach out to the designated support contact in your region. Always ensure that you are following the recommended safety guidelines and procedures for your safety and the safety of others.
