

# RUGER® MINI-14® SIDE MOUNT - GG&G RUGER MINI-14 SIDE SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The series 181 Ruger® Mini-14® rifle has remained a very popular rifle with hunters, outdoorsmen and women, and for home defense. Adding a scope mount and magnified scope or red dot sight is a great addition to your Mini-14®. The GG&G Mini-14® Side Mounted Scope Mount provides a solid and rugged mounting base for your optic. Fits Mini-14® series 181 and newer Non RANCH RIFLE models. Easy installation. No gunsmithing or modification needed to your Ruger® Mini-14®. Bolts to the side of the receiver with a new replacement bolt stop cover plate. The mounting rail is adjustable allowing for alignment with barrel and receiver. Includes the all important extended bolt hold open button. Features a dual locking screw leveling system. Package includes all necessary mounting hardware and tools. Mounting rail is manufactured to MIL-STD-1913 specifications. Mounting rail is 5 1/4" long. The Mini-14® Scope Mount is designed as a "See -Under" type allowing use of iron sights.

## Instructions

### Introduction

Thank you for choosing the GG&G Ruger® Mini14® Side Scope Mount. This guide provides essential safety instructions, installation, and usage guidelines to ensure your safe and effective use of the product. Please read this manual carefully before installation and use.

### General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines for safe use.
- Ensure the firearm is unloaded before installing or adjusting the scope mount.
- Regularly inspect the scope mount for wear or damage before each use.
- Store the scope mount in a safe, dry location away from children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Do not exceed the manufacturer's specified weight limit for optics mounted on the scope mount.
- Ensure all mounting hardware is securely tightened before use.
- Avoid using the scope mount in extreme weather conditions that may affect its integrity.
- Use the scope mount only with compatible models of the Ruger Mini14, specifically series 181 and newer non RANCH RIFLE models.
- Be cautious when handling the firearm with the mounted scope to prevent accidents.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools and mounting hardware included in the package.
- Ensure the firearm is unloaded and pointed in a safe direction.

#### 2. Installation:

- Locate the side of the receiver on your Ruger Mini14.
- Remove the existing bolt stop cover plate by unscrewing it.
- Align the GG&G Mini14 Side Scope Mount with the mounting holes on the receiver.
- Securely attach the scope mount using the new replacement bolt stop cover plate and the included screws.
- Adjust the mounting rail for proper alignment with the barrel and receiver as needed.
- Ensure that the extended bolt hold open button is properly installed and functional.

#### 3. Usage:

- After installation, check that the scope mount is secure and properly aligned.
- Mount your optic according to the manufacturer's instructions.
- Test the firearm in a safe environment to ensure proper functionality and alignment of the scope.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the scope mount or its components become damaged beyond safe use, dispose of them responsibly. Do not discard in regular household waste.
- Check with local waste management services for proper disposal methods of metal and aluminum components.

## Contact Information for Further Support

For additional support or questions regarding the GG&G Ruger Mini14 Side Scope Mount, please refer to the manufacturer's website or contact the customer service department. Always ensure to have your product details on hand for quicker assistance.

By following these safety instructions, you can enjoy the benefits of your GG&G Ruger Mini14 Side Scope Mount while ensuring your safety and the safety of those around you. Thank you for your attention to these important guidelines.
