

MOSSBERG SHOCKWAVE 12 GA SIDE SADDLES - GG&G MOSSBERG SHOCKWAVE 12G SIDE SADDLE

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

Fast, On-Weapon Access to Spare Rounds for Your Tactical Shotgun

The GG&G Side-Saddle Shell Holder for the Mossberg Shockwave gives you quick access to extra ammo during fast-moving tactical situations. The holder positions the shells at a 15° angle to match the angle of your hand, making loading the magazine or chamber even faster. With the Side-Saddle Shell Holder, shells can also be positioned with the base up or down to match your reloading style. Holds 5 rounds Installation requires no permanent modifications to the firearm Ergonomic design with cutouts to keep weight to the bare minimum 6061 T6 aluminum construction, matte black anodized finish Compact: 6.5" OAL Fits 12 gauge Mossberg Shockwave ONLY; will not fit 20 gauge Shockwave The GG&G Side-Saddle Shell Holder is available in three configurations: the base model holds only the ammo. You can also get it with two types of QD sling swivel: with a Rectangular loop that accepts a 1-1/4" nylon webbing sling or an Angular loop for HK-style quick clips and mash hooks.

MOSSBERG SHOCKWAVE 12 GA SIDE SADDLES GG&G MOSSBERG SHOCKWAVE 12G SIDE SADDLE Safety Instruction Guide

Introduction

Thank you for choosing the GG&G SideSaddle Shell Holder for the Mossberg Shockwave. This product is designed to provide quick access to extra ammunition during tactical situations. To ensure your safety and the optimal performance of your product, please read this safety instruction guide carefully before use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Store ammunition in a secure location, away from children and unauthorized users.
- Ensure you are familiar with the operation of your Mossberg Shockwave and this SideSaddle Shell Holder before use.
- Regularly inspect your SideSaddle Shell Holder for any signs of wear or damage.
- Follow all local laws and regulations regarding the use and transport of firearms and ammunition.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use this SideSaddle Shell Holder with the 12 gauge Mossberg Shockwave. It is not compatible with the 20 gauge Shockwave.
- Ensure that the shells are securely held in place before handling the firearm.
- Do not overload the SideSaddle Shell Holder; it is designed to hold a maximum of 5 rounds.
- When reloading, be mindful of your surroundings and ensure you are in a safe location.
- Avoid placing your hand or fingers in front of the muzzle when loading or unloading ammunition.
- If you experience any issues with the SideSaddle Shell Holder, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Identify the mounting area on your Mossberg Shockwave where you will attach the SideSaddle Shell Holder.
3. Align the SideSaddle Shell Holder with the mounting area, ensuring the shells will be positioned at a 15° angle.
4. Securely attach the SideSaddle Shell Holder according to the manufacturer's instructions. No permanent modifications to the firearm are required.
5. Confirm that the holder is firmly in place before proceeding.

Usage

- To load shells into the SideSaddle Shell Holder, position them with the base either up or down according to your reloading style.
- Practice loading and unloading the shells in a safe environment to become familiar with the product.
- After use, ensure that all shells are removed from the SideSaddle Shell Holder and properly stored.

Disposal Instructions

- Dispose of the SideSaddle Shell Holder in accordance with local regulations regarding metal waste.
- If the product is damaged or no longer needed, do not throw it in regular trash. Instead, find a designated recycling center that accepts aluminum products.

Contact Information for Further Support

For any questions or concerns regarding your GG&G SideSaddle Shell Holder, please contact the manufacturer or refer to the product documentation for additional support.

Thank you for prioritizing safety while using the GG&G SideSaddle Shell Holder for your Mossberg Shockwave. Your responsible use contributes to a safer environment for all.
