[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

## Fast, Forward Mounting of a Tactical Light on Your Shockwave

Whether you're responding to a suspicious bump in the night or clearing a dark building as part of your job, GG&G's Mossberg Shockwave Flashlight Mount lets you put some light on the situation. This fully ambidextrous mount attaches to either side of the Shockwave's magazine tube - and its on-board Picatinny rail can be positioned forward or rearward for added flexibility. Installs easily in a few minutes Made of AS-35 Geneva Steel & machined 6061 T6 billet aluminum 1-3/4" long Picatinny accessory rail Fits 12 gauge Mossberg Shockwave ONLY; will not fit 20 gauge Shockwave The GG&G Mossberg Shockwave Flashlight Mount has been designed and fully tested to withstand the rigors of professional law enforcement use. All edges have been rounded, smoothed, and beveled to protect the operator's hand and resist snagging on sling, vegetation, or other gear.

# MOSSBERG SHOCKWAVE 12 GA FLASHLIGHT MOUNT SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the GG&G Mossberg Shockwave Flashlight Mount. This guide provides important safety instructions and information to ensure the safe use of the product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only as intended.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the flashlight mount for any signs of wear or damage.
- If the product is damaged, discontinue use immediately and seek assistance.
- Always follow local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Only use the flashlight mount with the 12 gauge Mossberg Shockwave.
- Do not attempt to modify the flashlight mount in any way.
- Ensure that the mount is securely attached before use to prevent accidents.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- Be aware of your surroundings and ensure proper handling of your firearm at all times.

## Instructions for Installation and Usage

### Installation

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a screwdriver.
2. **Position the Mount:** Decide whether to attach the mount to the left or right side of the magazine tube.
3. **Attach the Mount:**
  - Align the mount with the magazine tube.
  - Securely fasten the mount using the provided screws.
4. **Adjust the Picatinny Rail:** Position the onboard Picatinny rail either forward or rearward according to your preference.
5. **Final Check:** Ensure all screws are tightened and the mount is securely attached.

### Usage

- Always ensure the flashlight is properly mounted on the Picatinny rail before use.
- Test the flashlight's functionality before relying on it in lowlight situations.
- Maintain a firm grip on the firearm while using the flashlight to ensure stability and control.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged, consult local authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the GG&G Mossberg Shockwave Flashlight Mount,

please consult the manufacturer's website or contact your local retailer.

This safety instruction guide is designed to ensure your safe and effective use of the GG&G Mossberg Shockwave Flashlight Mount. Please keep this document for future reference.
