

REMINGTON TAC-14 QD SLING SWIVELS - GG&G TAC-14 QD REAR SLING ATTACHMENT WITH HD ANGULAR SWIVEL

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Shotgun Swivel Sets](#)

An Secure Single-Point Sling Mounting Solution

GG&G's Quick-Detach Rear Sling Swivel is a single point sling mount that increases the situational flexibility of your Remington TAC-14 tactical / personal defense shotgun. Compact and easy to install, the Quick-Detach Rear Sling Swivel places the attachment point on the receiver, thus reducing the chance of your hand hitting it under recoil. The GG&G Quick-Detach Rear Sling Swivel for the Remington TAC-14 is available in two configurations: with a Rectangular sling loop for 1-1/4" webbing slings or as an Angular loop for HK-style quick clips and mash hooks. With just a push of the QD button, your TAC-14 separates from the sling for tactical flexibility. Tough 4140 steel construction Non-reflective matte black finish Ambidextrous - can be installed on either side of the firearm The low-profile GG&G Quick-Detach Rear Sling Swivel is compact and easy to install on the shotgun's receiver, plus its low profile won't smack your hand under recoil. No exposed nut on the opposite side of the receiver to dig into your hand when handling the gun.

Safety Instruction Guide for REMINGTON TAC14 QD SLING SWIVELS

Introduction

Thank you for choosing the REMINGTON TAC14 QD Sling Swivels by GG&G. This product is designed to enhance the functionality and safety of your Remington TAC14 tactical shotgun. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is installed correctly to avoid accidents during use.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the sling swivels for wear and damage. If any issues are found, discontinue use immediately.
- Follow all local laws and regulations regarding firearm use and accessories.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's weight limits for the sling swivels.
- Ensure that all attachments are secure before use to prevent accidental detachment.
- Be cautious when using the firearm in highstress situations, as the sling may affect handling.
- Avoid using the sling swivels in adverse weather conditions that could affect grip and control.
- If you experience any discomfort or difficulty while using the sling, stop using it and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded before beginning installation.
- Identify the receiver of the Remington TAC14 where the rear sling swivel will be attached.
- For the Rectangular sling loop:
 - Align the loop with the attachment point on the receiver.
 - Secure the loop by tightening the provided screws until snug.
- For the Angular loop:
 - Align the loop with the attachment point on the receiver.
 - Secure the loop by tightening the provided screws until snug.
- Check that the sling swivel is securely attached before proceeding.

2. Usage:

- Attach your sling to the swivel by threading the sling through the loop or using HKstyle clips as appropriate.
- To detach the sling, press the QuickDetach (QD) button and remove the sling from the swivel.
- Regularly check the attachment to ensure it remains secure during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Consider recycling materials where possible, and ensure that any hazardous components are disposed of

safely.

Contact Information for Further Support

For any questions regarding the installation, usage, or safety of the REMINGTON TAC14 QD Sling Swivels, please refer to the manufacturer's customer service resources.

By following these guidelines, you can ensure a safe and enjoyable experience with your REMINGTON TAC14 QD Sling Swivels. Always prioritize safety and adhere to the recommendations provided in this guide.
