### **Extra-Large Grasping Surface for Rapid Charging & Jam Clearance**

Getting a solid grasp on the Benelli M4's small factory bolt handle can be difficult, but you won't have that problem with the GG&G Slotted Tactical Charging Handle. This oversized handle is easy to grab, and the heavy knurling reduces the chance of your hand slipping off, even when wet or wearing gloves. Easy to install drop-in replacement for factory handle Provides consistent, reliable hand cycling of the bolt Rounded edges for snag-free operation Manufactured from ordnance steel The GG&G Slotted Tactical Charging Handle is larger than the Benelli M4's factory handle, making it easier to grab for positive manipulation. Its good looks add a bit of "cool factor" to your Benelli.

## Introduction

Thank you for choosing the BENELLI M4 Slotted Tactical Charging Handle by GG&G. This product is designed to enhance your handling experience with the Benelli M4 shotgun. To ensure safe and effective use, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always handle firearms and related accessories responsibly and with care.
- Ensure that the firearm is unloaded before installation or maintenance.
- Store the charging handle in a secure location away from children and unauthorized users.
- Regularly inspect the charging handle for wear and damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the charging handle only with the Benelli M4 shotgun.
- Avoid using excessive force when operating the charging handle.
- Ensure your hands are dry and free from oil or debris to prevent slipping.
- Always wear appropriate personal protective equipment, such as gloves, when handling firearms.
- Keep the area around your firearm clear of obstructions to avoid accidents during operation.

## Instructions for Installation and Usage

### Installation

- Preparation:** Ensure the Benelli M4 shotgun is unloaded and pointed in a safe direction.
- Remove Factory Handle:** Use a suitable tool to remove the factory bolt handle from the shotgun.
- Install GG&G Charging Handle:** Align the GG&G Slotted Tactical Charging Handle with the bolt assembly and press it into place until it is securely fitted.
- Check Functionality:** After installation, cycle the bolt to ensure the charging handle operates smoothly.

### Usage

- To charge the shotgun, grip the oversized handle firmly with your dominant hand.
- Pull the handle back to cycle the bolt, ensuring a complete motion for reliable operation.
- Release the handle smoothly to allow the bolt to return to its forward position.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and plastic waste.
- Do not dispose of the product in general household waste. Instead, utilize designated recycling facilities if available.
