Oversized for Quick, Positive Charging

Larger than the factory handle, the GG&G Slotted Charging Handle for Benelli M1 / M2 / M3 shotguns provides a more positive means getting a shell into the chamber, especially in a high stress competition or self-defense situation. The easy-to-grasp slotted charging handle enables rapid, positive cycling of the bolt or clearing misfeeds. Heavy knurling reduces the chance of your hand will slip if they are wet or you are wearing gloves. No modifications required - drop-in install Rounded edges for snag-free operation Manufactured from ordnance steel GG&G's Benelli M1 / M2 / M3 Slotted Tactical Charging Handle replaces the factory bolt handle on these popular shotguns that can be difficult to manipulate under pressure.

Introduction

Thank you for choosing the GG&G Slotted Tactical Charging Handle for your Benelli M1, M2, or M3 shotgun. This product is designed to enhance your shooting experience by providing improved functionality and control. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that the shotgun is unloaded before installing or handling the charging handle.
- Follow all local laws and regulations regarding the use of firearms and their accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear protective eyewear when using your shotgun.
- Ensure that your hands are dry and free from oils or lubricants when handling the charging handle.
- Use gloves if necessary, but ensure that they provide adequate grip.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the shotgun in wet or slippery conditions where grip may be compromised.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure your shotgun is unloaded and in a safe condition.

2. Remove Factory Handle:

- Using appropriate tools, carefully remove the factory charging handle from your Benelli shotgun.

3. Install GG&G Slotted Charging Handle:

- Align the GG&G Slotted Charging Handle with the bolt handle slot.
- Push it into place until it is securely fitted.
- No modifications are required; the handle is designed for drop-in installation.

4. Final Check:

- Confirm that the charging handle is securely attached and operates smoothly.

Usage

- To charge the shotgun, grasp the slotted charging handle firmly.
- Pull back the handle to cycle the bolt and chamber a shell.
- Ensure that you have a firm grip to avoid slipping, especially if your hands are wet or if you are wearing gloves.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer functional, do not attempt to repair it.
- Recycle materials where possible, following local waste disposal guidelines.
