

FACTORY LOGO RECOIL PADS - WINCHESTER RECOIL PAD, VENTED

[Home](#)

The Final Detail For An Accurate Restoration

Makes your restorations as accurate and valuable as possible. These red-brown rubber pads are exact reproductions of those used in the early 1900's. The Hawkins was a commonly-used, turn of the century, aftermarket pad. This faithful re-creation has the original Hawkins logo in the center and is available with the original, diamond heart pattern vents or horizontal square vents. The Winchester Vented is a copy of the original pad on early 1920's Winchesters the includes the Winchester logo and the legend "MADE IN U.S.A." above the logo and "TRADE MARK PAT. JUNE 6, 1922" correctly placed below it. Winchester Solid is a solid red pad modeled after that of many original pre-'64 Winchesters including the Model 70, Model 12, Model 21, plus all lever action and pump models. Raised lettering Winchester logo. Early Noshoc pad provides an opportunity to put the correct era pad on many high-grade American guns. Used by Parker, Fox, L.C. Smith, Remington, Winchester, and Lefever. Raised lettering reads "NOSHOC" with the legend "PATENTED JUNE 6, 1922" above the logo and "MADE IN U.S.A" below it. The Universal pad is available in red and works well on a variety of custom stocks. Screw holes are $3\frac{1}{4}$ " apart; midway between these holes is an internal cavity $\frac{3}{4}$ " wide and $2\frac{1}{8}$ " long.

FACTORY LOGO RECOIL PADS WINCHESTER RECOIL PAD, VENTED Safety Instructions

Introduction

Thank you for choosing the Factory Logo Recoil Pads Winchester Recoil Pad, Vented. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read and follow these safety instructions carefully to ensure proper use and handling.

General Safety Guidelines

- **Product Safety:** This recoil pad is designed to be safe for use with firearms, but it is important to follow all guidelines to avoid accidents.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Please ensure you register your product for updates.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored out of reach of minors.
- **EU Contact Point:** For any safety inquiries regarding this product, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the recoil pad is compatible with your firearm model before installation.
- **Inspection:** Regularly inspect the recoil pad for wear and tear. Replace it if there are signs of damage.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which can lead to accidents.
- **Usage:** Always ensure that the firearm is unloaded before attaching or removing the recoil pad.
- **Storage:** Store the recoil pad in a dry, cool place away from direct sunlight to prevent material degradation.

Instructions for Installation and Usage

1. **Gather Tools:** You will need a screwdriver and possibly additional tools depending on your firearm model.
2. **Ensure Safety:** Before starting, ensure the firearm is completely unloaded.
3. **Remove Old Pad:** If replacing an old recoil pad, carefully unscrew and remove it from the stock.
4. **Position New Pad:** Align the new recoil pad with the screw holes on the stock of the firearm.
5. **Secure the Pad:** Using the screwdriver, tighten the screws to secure the recoil pad firmly in place. Ensure the pad is flat against the stock without gaps.
6. **Final Check:** After installation, doublecheck that the pad is securely attached and that there are no loose screws.
7. **Testing:** Before using the firearm, conduct a test to ensure that the recoil pad is functioning correctly and providing the intended comfort and support.

Disposal Instructions

- **Environmental Considerations:** Dispose of the recoil pad in accordance with local regulations. Do not dispose of it in regular household waste if it contains materials that are not environmentally friendly.
- **Recycling:** If possible, recycle the rubber material to minimize environmental impact.

Contact Information for Further Support

For any inquiries or concerns regarding the Factory Logo Recoil Pads Winchester Recoil Pad, Vented, please refer to the contact information provided by your retailer or manufacturer. Ensure you have your product details ready for a more efficient response.

By following these guidelines, you can ensure a safe and enjoyable experience with your recoil pad. Thank you for your attention to safety.
