## GALAZAN #S150 Safety Instruction Guide

### Introduction

Thank you for purchasing the WINCHESTER 1892 REPLACEMENT SCREW KIT GALAZAN #S150. This guide is designed to provide you with essential safety instructions, ensuring the safe use and installation of this product. Please read this guide carefully before use.

### General Safety Guidelines

- Always ensure that the firearm is unloaded before attempting any installation or maintenance.
- Keep the product and all tools out of the reach of children and unauthorized individuals.
- Use the product only for its intended purpose as described in this guide.
- Regularly inspect the screws for wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

### Specific Safety Precautions for Use

- Ensure that you are using the correct screws for your specific firearm model (Winchester Model 92).
- Wear safety glasses during installation to protect your eyes from potential debris.
- Use appropriate tools to avoid damaging the screws and the firearm.
- Do not attempt to modify the screws or use them in any way that is not recommended by the manufacturer.
- If you experience any difficulty during installation, seek assistance from a qualified gunsmith.

### Instructions for Installation and Usage

#### 1. Preparation

- Gather all necessary tools, including a screwdriver suitable for the screws provided in the kit.
- Ensure your workspace is clean and welllit.

#### 2. Installation Steps

- Verify that your firearm is unloaded and safe to work on.
- Remove any existing screws that need replacement using the appropriate screwdriver.
- Align the new screws from the WINCHESTER 1892 REPLACEMENT SCREW KIT with the corresponding holes on the firearm.
- Carefully insert the screws and tighten them securely, ensuring not to overtighten as this may damage the firearm.

#### 3. PostInstallation Check

- After installation, check that all screws are secure and that the firearm operates correctly.
- Test the action of the firearm to ensure smooth operation.

### Disposal Instructions

- Dispose of any old or damaged screws in accordance with local regulations.
- Do not dispose of screws in a manner that could pose a risk to the environment or public safety.

## Contact Information for Further Support

For safety inquiries or further assistance, please contact the manufacturer or your local firearms dealer. Ensure you have the product details ready for reference.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are our top priorities.
