NO. 90 PIN VISE BROWNELLS DOUBLEENDED PIN VISE Safety Instruction Guide

Introduction

Thank you for choosing the NO. 90 Pin Vise by Brownells. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read and follow all instructions carefully to avoid potential hazards.

General Safety Guidelines

- Always use the pin vise in accordance with the manufacturer's instructions.
- Keep the pin vise out of reach of children and vulnerable individuals.
- Inspect the pin vise before each use to ensure it is in good condition.
- Report any damaged or malfunctioning tools to the manufacturer.
- Ensure your workspace is clean and welllit to avoid accidents.
- Follow all applicable local regulations and laws when using this product.

Specific Safety Precautions for Use

- Use the pin vise only for its intended purpose of holding small objects for drilling or other tasks.
- Avoid excessive force when adjusting the collets to prevent damage to the tool or injury.
- Do not use the pin vise if you are tired or under the influence of substances that may impair your judgment.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the pin vise.
- Keep your hands and other body parts clear of the working area while the pin vise is in use.

Instructions for Installation and Usage

Installation

1. Ensure that the work surface is stable and secure.
2. Remove any protective packaging from the pin vise.
3. Check that the collets are clean and free from debris.
4. Place the pin vise on the work surface, ensuring it is stable.

Usage

1. To adjust the collet:
 - Loosen the collet by turning it counterclockwise.
 - Insert the item to be held securely in the collet.
 - Tighten the collet by turning it clockwise until it holds the item firmly.
2. Adjust the length of the pin vise by turning the adjustment knob as needed.
3. Use the pin vise to hold the item in place while performing your task, such as drilling.
4. After use, carefully remove the item from the collet and store the pin vise in a safe location.

Disposal Instructions

- Dispose of the product in accordance with local regulations for nonhazardous materials.
- Do not dispose of the pin vise in household waste if it contains hazardous components.
- Consider recycling the product if applicable.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product issues, please refer to the manufacturer's website or contact their customer support.

Remember to stay informed about product recalls and safety updates through the EU's Safety Gate platform. If you encounter any unsafe products or incidents, report them to the relevant authorities. Your safety is a priority, and we appreciate your cooperation in following these guidelines.
