DOUBLE LENS MAGNIFIER SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the DOUBLE LENS MAGNIFIER by BROWNELLS. This compact and folding pocket magnifier is designed to provide you with a closer look at various objects, offering a combined magnification of 8X. This guide outlines essential safety instructions to ensure the safe use and maintenance of your magnifier in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the magnifier in a welllit environment to avoid strain on your eyes.
- Keep the magnifier out of reach of children to prevent accidents or misuse.
- Inspect the magnifier for any visible damage before use. Do not use if damaged.
- Do not expose the magnifier to extreme temperatures or moisture, as this may affect its functionality.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Eye Safety:**
 - Avoid looking directly at bright light sources through the magnifier, as this may cause eye damage.
- **Handling:**
 - Handle the magnifier with care to prevent dropping or damaging the lenses.
- **Storage:**
 - Store the magnifier in a protective case when not in use to prevent scratches and damage.
- **Cleaning:**
 - Clean the lenses with a soft, dry cloth to avoid scratching. Do not use harsh chemicals or abrasive materials.

Instructions for Installation and Usage

1. **Unfolding the Magnifier:**
 - Gently pull apart the two halves of the magnifier until it clicks into place.
2. **Using the Magnifier:**
 - Hold the magnifier by the handle and position it over the object you wish to examine.
 - Adjust the distance between the magnifier and the object for optimal clarity.
3. **Folding the Magnifier:**
 - After use, gently fold the magnifier back into its compact form for storage.
4. **Regular Maintenance:**

- Regularly check the hinges and lenses for any signs of wear or damage.
- If any components are damaged, discontinue use and seek replacement.

Disposal Instructions

- Dispose of the magnifier in accordance with local waste disposal regulations.
- Do not dispose of the magnifier in regular household waste if it contains electronic components.
- Consider recycling the magnifier if possible, or return it to the manufacturer for proper disposal.

Contact Information for Further Support

For any inquiries regarding the safety and use of the DOUBLE LENS MAGNIFIER, please refer to the product packaging for the appropriate contact details. Ensure you have the product information ready when seeking assistance.

Thank you for your attention to these safety instructions. Enjoy your DOUBLE LENS MAGNIFIER responsibly!
