# Safety Instruction Guide for MARKONANYTHING PENCILS BROWNELLS PENCIL ASSORTMENT

## Introduction

Thank you for choosing the MARKONANYTHING PENCILS BROWNELLS PENCIL ASSORTMENT. These versatile pencils are designed to write on a variety of surfaces, including rubber, steel, glass, wood, plastic, and more, making them ideal for engraving, checkering, carving, machining, and design. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the pencils are used only for their intended purpose.
- Keep the pencils out of reach of children to prevent accidental ingestion or injury.
- Always check the condition of the pencils before use; do not use damaged or broken pencils.
- Avoid using the pencils on wet or greasy surfaces, as this may affect performance and safety.
- If any irritation occurs during use, discontinue use immediately and seek medical advice if necessary.

## Specific Safety Precautions for Use

### • Hazard Identification:

- The pencils are not abrasive and will not scratch surfaces; however, care should be taken to avoid excessive pressure which could lead to breakage.
- Avoid contact with eyes; if contact occurs, rinse immediately with plenty of water and seek medical attention if irritation persists.
- Do not use the pencils for any purpose other than writing or marking on approved surfaces.

### • AgeSpecific Warnings:

- These pencils are not suitable for children under 3 years old due to small parts that may pose a choking hazard.
- Supervise children using these pencils to ensure safe usage.

### • Usage Environment:

- Use in a wellventilated area to avoid inhalation of any particles that may be produced during use.
- Store the pencils in a cool, dry place away from direct sunlight to maintain their quality.

## Instructions for Installation and Usage

### • Using the Pencils:

- Remove the pencil from the packaging.
- If necessary, sharpen the pencil to a superfine point using a standard pencil sharpener.
- Test the pencil on a small, inconspicuous area of the surface to ensure compatibility before full use.
- Write or mark as needed, applying gentle pressure to avoid breakage.

### • Cleaning Off Marks:

- To remove marks, use a clean cloth or a gentle rubbing motion with a finger.

- For stubborn marks, a little moisture may be applied, but ensure the surface is not damaged or wet beforehand.

## **Disposal Instructions**

- Dispose of used or broken pencils in accordance with local waste disposal regulations.
- Do not incinerate or dispose of the pencils in a way that could cause environmental harm.
- Encourage recycling where possible by checking if the materials can be processed through local recycling programs.
