

MARK-ON-ANYTHING PENCILS - BROWNELLS MARK-ON ANYTHING PENCILS, WHITE, 6 PACK

[Gunsmith Tools](#) > [Stock Work & Finishing](#) > [Hand Checkering Tools](#) > [Marking Pencils](#)

To Help You Do The Best Checkering Job Possible

Writes on rubber, steel, glass, wood, plastic, plexiglas, photographs - literally anything as long as it is not wet or greasy. Then, cleans off easily with a little rub or a spit-n -swipe . Not abrasive, so won t scratch. Won t gouge stock when laying out checkering/inlays/inletting. Sharpen to super-fine point for most precise work in engraving, checkering, carving, machining, and design.

MARKONANYTHING PENCILS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the MARKONANYTHING PENCILS by BROWNELLS. These versatile white pencils are designed to write on various surfaces including rubber, steel, glass, wood, plastic, plexiglas, and photographs. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the surface you are writing on is clean and dry to prevent smudging or unwanted marks.
- Keep pencils out of reach of children to avoid accidental ingestion or misuse.
- Use the pencils only for their intended purpose; do not use them for marking on skin or any food items.
- In case of accidental contact with eyes or ingestion, seek medical attention immediately.
- Regularly check the condition of the pencil. If the pencil is damaged or broken, discontinue use.
- Store the pencils in a cool, dry place away from direct sunlight to maintain their quality.

Specific Safety Precautions for Use

- **Avoid Wet or Greasy Surfaces:** The pencils are designed to write on dry surfaces. Using them on wet or greasy surfaces may result in poor performance and difficulty in removal.
- **NonAbrasive:** The pencils are nonabrasive and will not scratch surfaces. However, ensure you are applying the appropriate pressure to avoid damaging delicate materials.
- **Sharpening:** Always sharpen the pencils to a superfine point for precise work. Use a suitable sharpener to avoid injury and ensure a clean point.
- **Ventilation:** When using the pencils for extended periods, ensure adequate ventilation in your workspace to avoid inhalation of any dust created during sharpening.

Instructions for Installation and Usage

- **Using the Pencils:**

1. Select the surface you wish to write on, ensuring it is clean and dry.
2. If needed, sharpen the pencil to achieve a fine point.
3. Apply gentle pressure to write on the surface.
4. To remove marks, use a clean cloth or a light rub with your finger. For stubborn marks, a spitswipe method can be effective.

- **Storage:**

1. Store the pencils in their original packaging or a pencil case.
2. Keep them in a dry environment away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of used pencils in accordance with local waste disposal regulations.
- If the pencils are damaged or no longer usable, ensure they are disposed of in a way that prevents any risk to the environment or public safety.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the MARKONANYTHING PENCILS, please refer to the contact information provided on the product packaging or your point of purchase.

This safety instruction guide is designed to help you use the MARKONANYTHING PENCILS safely and effectively. By following these guidelines, you can ensure a positive experience while using this product. Thank you for your attention to safety.
