

# GRACOIL ADJUSTABLE LENGTH OF PULL RECOIL REDUCER - GRACO CORP ADJ. LP RECOIL REDUCER

[Shooting Accessories](#) > [Recoil Parts](#) > [Recoil Reducers](#)

## Fully Adjustable Spring System Cushions Your Shoulder

Stainless steel piston riding in a teflon sleeve smoothly softens recoil. Improves comfort and concentration for more accurate shooting. Adjustable friction spring lets you fine tune the dampening effect for heavy and light loads. Buttplate has a wide range of vertical and horizontal adjustments. Pad plate is drilled and tapped for standard recoil pads. Quickly gives up to  $\frac{3}{4}$ " adjustment for length of pull plus drop and cast adjustments. Improves stock fit to accommodate different shooting styles. Provides correct fit when wearing heavy or light clothing. Allows two shooters to use the same gun with equal comfort.

## Attributes

- Name: [GRACO CORP ADJ. LP RECOIL REDUCER](#)
- Manufacturer: [GRACO CORP](#)
- Product no.: 352000001
- Mfr. No.: GC15LP
- Colour: Silver
- Material: Aluminum
- Style: Recoil Reducing
- Delivery weight: 0.476kg
- Shipping height: 71mm
- Shipping width: 102mm
- Shipping length: 183mm

## Item details

Made in USA

US export classification: 0A501.x

# Safety Instruction Guide for GRACOIL Adjustable Length of Pull Recoil Reducer

## Introduction

Thank you for choosing the GRACOIL Adjustable Length of Pull Recoil Reducer. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before using the recoil reducer.

## General Safety Guidelines

- Ensure that the recoil reducer is compatible with your firearm before installation.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the recoil reducer for any signs of wear or damage.
- Keep the recoil reducer out of reach of children and vulnerable individuals.
- If you experience any discomfort or issues while using the recoil reducer, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to firearm malfunction.
- Adjustments that are too loose or too tight can affect shooting accuracy and safety.
- Failure to ensure a proper fit may cause discomfort or injury.

### • Avoiding Hazards:

- Always ensure the firearm is unloaded before making adjustments or installing the recoil reducer.
- Follow all instructions for adjusting the buttplate and friction spring carefully.
- Use the recoil reducer only for its intended purpose and within recommended specifications.

### • AgeSpecific Warnings:

- This product is intended for use by adults only. Keep it away from children.
- Supervise inexperienced users when using the firearm equipped with the recoil reducer.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing buttplate from the firearm if applicable.
- Align the recoil reducer with the stock of the firearm.
- Secure the recoil reducer using the provided screws, ensuring it is tightly fastened.
- Confirm that the recoil reducer is properly aligned and does not obstruct the operation of the firearm.

### 2. Adjustments:

- To adjust the length of pull, loosen the adjustment screws on the recoil reducer.
- Slide the recoil reducer to the desired length and retighten the screws securely.
- For vertical and horizontal adjustments, follow the respective instructions provided in the product

manual.

- Test the adjustments by shouldering the firearm to ensure a comfortable fit.

### **3. Usage:**

- Familiarize yourself with the recoil reducer's features before use.
- Always check the adjustments before each use to ensure safety and comfort.
- Practice shooting with the recoil reducer to adapt to the changes in fit and feel.

## **Disposal Instructions**

- Dispose of the recoil reducer in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the materials if possible.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the GRACOIL Adjustable Length of Pull Recoil Reducer, please refer to the manufacturer's contact information provided with the product.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your GRACOIL Adjustable Length of Pull Recoil Reducer. Always prioritize safety and comfort while handling firearms.
