

# #1000 ADJUSTABLE COMB HARDWARE - GRACO CORP #1000 ADJUSTABLE COMB HARDWARE SILVER ALUMINUM

[Rifle Parts](#) > [Stock Parts](#) > [Butt Plate Parts](#) > [Adjustable Comb Hardware](#)

Lets the shooter infinitely adjust head placement to get best fit for any type of shooting . . . rifle position shooting, changing between scopes and iron sights, or using a shotgun for both field and trap shooting. Allows comb to adjust four ways: up, down, plus left and right. Comb height is adjusted by sleeves inlet into the cut-off top of the comb, and locked with set screws through side of stock. Left and right adjustment is provided by posts sliding in milled slots in the base plate and locked with set screws. Requires cutting of stock and bedding of plates and sleeves into stock. Stock cannot be returned to original condition.

# Safety Instruction Guide for #1000 Adjustable Comb Hardware

## Introduction

Thank you for choosing the #1000 Adjustable Comb Hardware by Graco Corp. This product allows for enhanced adaptability in various shooting scenarios by enabling infinite adjustments to head placement. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is installed and used according to the provided instructions to avoid accidents.
- Regularly inspect the adjustable comb hardware for any signs of wear or damage before each use.
- Store the product in a safe, dry place when not in use to prevent damage or accidents.
- Be aware of your surroundings when using the product, especially in public or crowded areas.
- Always follow local laws and regulations regarding firearm use and safety.

## Specific Safety Precautions for Use

- Do not modify the product beyond the manufacturer's specifications.
- Ensure that the comb is securely locked in place before using the firearm.
- Avoid using the product in wet or humid conditions, as moisture can affect the hardware's performance.
- Use protective eyewear when shooting to safeguard against debris.
- Keep the product and any firearms out of reach of children and unauthorized users.
- Be cautious when adjusting the comb height and position to prevent pinching or injury.

## Instructions for Installation and Usage

### 1. Preparation for Installation:

- Gather all necessary tools, including a screwdriver and set screws.
- Ensure your firearm is unloaded and pointed in a safe direction.

### 2. Installing the Adjustable Comb:

- Remove the existing comb from your firearm if applicable.
- Place the adjustable comb hardware onto the stock, ensuring it fits snugly.
- Adjust the comb height by sliding the sleeves into the cutoff top of the comb.
- Secure the comb height by tightening the set screws through the side of the stock.
- For left and right adjustments, slide the posts in the milled slots of the base plate and lock them with set screws.

### 3. Adjusting the Comb for Use:

- Test the adjustments to ensure a comfortable fit for your shooting style.
- Make any necessary adjustments before heading to the shooting range or field.

### 4. PostInstallation Check:

- Once installed, doublecheck that all screws are tight and that the comb is secure.
- Conduct a visual inspection to confirm that there are no loose parts.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- When the product reaches the end of its life, dispose of it in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the #1000 Adjustable Comb Hardware, please reach out to the manufacturer's support team or visit their official website for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safer and more enjoyable experience with your #1000 Adjustable Comb Hardware. Always prioritize safety and responsible usage. Thank you for your commitment to safe shooting practices.
