

# #350 ADJUSTABLE COMB HARDWARE - GRACO CORP #350 ADJUSTABLE COMB HARDWARE SILVER ALUMINUM

[Rifle Parts](#) > [Stock Parts](#) > [Butt Plate Parts](#) > [Adjustable Comb Hardware](#)

Lets the shooter infinitely adjust head placement to get best fit for any type of shooting . . . rifle position shooting, changing between scopes and iron sights, or using a shotgun for both field and trap shooting. Allows comb to adjust four ways: up, down, plus left and right. Comb height is adjusted by sleeves inlet into the cut-off top of the comb, and locked with set screws through side of stock. Left and right adjustment is provided by posts sliding in milled slots in the base plate and locked with set screws. Requires cutting of stock and bedding of plates and sleeves into stock. Stock cannot be returned to original condition.

# Safety Instruction Guide for #350 Adjustable Comb Hardware

## Introduction

Thank you for choosing the #350 Adjustable Comb Hardware by Graco Corp. This product is designed to enhance your shooting experience by allowing you to adjust the comb height and position for optimal fit and comfort. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that all components are securely fastened before use.
- Do not attempt to modify the product beyond the specified adjustments.

### • Usage Precautions:

- Always check the comb height and position before each shooting session.
- Avoid using the product in conditions that may impair your ability to shoot safely.
- Be aware of your surroundings and ensure a clear shooting area.

### • Maintenance Precautions:

- Regularly clean the product according to the manufacturer's guidelines.
- Store the product in a dry and safe place when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully read the installation instructions provided by the manufacturer.
- Cut the stock as required for the installation of the adjustable comb hardware.
- Inlet the sleeves into the cutoff top of the comb and secure them with set screws.
- Adjust the comb height by sliding the posts in the milled slots of the base plate.
- Lock the positions with set screws to ensure stability.

### 2. Usage:

- Adjust the comb to the desired height and position before shooting.
- Ensure that the adjustments are secure and do not shift during use.
- Practice shooting with the adjusted comb to ensure comfort and accuracy.
- Make necessary adjustments as needed based on shooting style and preferences.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding aluminum materials.
- Do not dispose of the product in general waste; instead, recycle where possible.
- Ensure that all components are disposed of safely to prevent any hazards.

## **Contact Information for Further Support**

For any inquiries regarding the safety or usage of the #350 Adjustable Comb Hardware, please refer to the manufacturer's contact details provided with your product packaging. Ensure that you have your product information ready when seeking assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the #350 Adjustable Comb Hardware.
