

#425 ADJUSTABLE COMB HARDWARE - GRACO CORP #425 ADJUSTABLE COMB HARDWARE SILVER ALUMINUM

[Rifle Parts](#) > [Stock Parts](#) > [Butt Plate Parts](#) > [Adjustable Comb Hardware](#)

The Proper Hardware Needed To Make Adjustable Rifle And Shotgun Combs

Lets the shooter infinitely adjust head placement to get best fit for any type of shooting . . . rifle position shooting, changing between scopes and iron sights, or using a shotgun for both field and trap shooting. Allows comb to adjust four ways: up, down, plus left and right. Comb height is adjusted by sleeves inlet into the cut-off top of the comb, and locked with set screws through side of stock. Left and right adjustment is provided by posts sliding in milled slots in the base plate and locked with set screws. Requires cutting of stock and bedding of plates and sleeves into stock. Stock cannot be returned to original condition.

Safety Instruction Guide for #425 Adjustable Comb Hardware

Introduction

Thank you for choosing the #425 Adjustable Comb Hardware by Graco Corp. This product is designed to enhance your shooting experience by allowing you to adjust the comb height and position according to your shooting style. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before making any adjustments to the comb hardware.
- Use the product only for its intended purpose as described in this guide.
- Keep the adjustable comb hardware out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to instability during shooting.
- Adjustments made while the firearm is loaded can lead to accidental discharge.
- Failure to secure set screws may result in the comb hardware shifting during use.

• Avoiding Hazards:

- Always adjust the comb with the firearm pointed in a safe direction.
- Make adjustments only when the firearm is unloaded.
- Ensure that all set screws are tightened properly after adjustments.
- Do not attempt to modify the product beyond the manufacturer's specifications.

• AgeSpecific Warnings:

- This product is not intended for use by children without adult supervision.
- Ensure that inexperienced users are guided by a knowledgeable adult when using this product.

Instructions for Installation and Usage

1. Installation:

- Carefully read the installation instructions provided with the product.
- Use appropriate tools to cut the stock and create inlets for the sleeves.
- Insert the sleeves into the cutoff top of the comb and secure them using the set screws.
- Adjust the height of the comb by sliding the sleeves accordingly.
- For left and right adjustments, slide the posts in the milled slots of the base plate and secure with set screws.

2. Usage:

- Before shooting, doublecheck that all adjustments are secure.
- Practice adjusting the comb in a safe and controlled environment before using it in a live shooting

scenario.

- Regularly check the stability of the comb during use and make adjustments as necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, ensure that it is disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with the product packaging. Ensure that you have the product information ready for a more efficient response.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the #425 Adjustable Comb Hardware!
