

# GRACOIL STANDARD RECOIL REDUCER - GRACO CORP GRACOIL STD. SHOTGUN RECOIL REDUCER

[Shooting Accessories](#) > [Recoil Parts](#) > [Recoil Reducers](#)

## Fully Adjustable Spring System Cushions Your Shoulder

Stainless steel piston riding in a teflon sleeve smoothly softens recoil. Improves comfort and concentration for more accurate shooting. Adjustable friction spring lets you fine tune the dampening effect for heavy and light loads. Buttplate has a wide range of vertical and horizontal adjustments. Pad plate is drilled and tapped for standard recoil pads. Vertical and horizontal adjustments for drop and cast improve stock fit and increase shooting comfort. Thin, pad mounting plates prevent compression pinching and minimize amount of material to be removed for easier fitting. Rifle Recoil Reducer has a stronger compression rate to accommodate the punchier recoil of rifles, and guide pins and mounting screw holes are closer together to accommodate smaller rifle stocks. Also recommended for heavier recoiling 3" and 3½" magnum shotguns.

## Attributes

- Name: [GRACO CORP GRACOIL STD. SHOTGUN RECOIL REDUCER](#)
- Manufacturer: [GRACO CORP](#)
- Product no.: 352110000
- Mfr. No.: GC15S
- Colour: Silver
- Material: Aluminum
- Style: Standard
- Delivery weight: 0.454kg
- Shipping height: 71mm
- Shipping width: 104mm
- Shipping length: 183mm

## Item details

Made in USA

US export classification: 0A501.x

# GRACOIL STANDARD RECOIL REDUCER Safety Instructions

## Introduction

Thank you for choosing the GRACOIL STANDARD RECOIL REDUCER. This product is designed to enhance your shooting experience by reducing recoil and improving comfort. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the recoil reducer is installed correctly before use.
- Regularly inspect the recoil reducer for any signs of wear or damage.
- Follow all manufacturer instructions for installation and usage.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

## Specific Safety Precautions for Use

- Always use the recoil reducer with compatible firearms.
- Do not modify the recoil reducer in any way.
- Ensure that the adjustments for drop and cast are set correctly to fit your stock.
- Be aware of the increased length of pull; ensure it is suitable for your shooting stance.
- Use appropriate ammunition for your firearm to prevent excessive recoil.
- If you experience discomfort or difficulty when using the recoil reducer, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and safe to handle.
- Remove the existing buttplate from the stock of your firearm.
- Align the GRACOIL STANDARD RECOIL REDUCER with the stock and ensure it is positioned correctly.
- Use the drilled and tapped holes to secure the recoil reducer with the appropriate screws.
- Adjust the vertical and horizontal settings as necessary for a proper fit.

### 2. Usage:

- Before shooting, doublecheck that the recoil reducer is securely attached.
- Adjust the friction spring to achieve the desired dampening effect based on your load type.
- Test the adjustments in a safe environment before going to the range.
- Maintain a proper shooting stance and grip to maximize the benefits of the recoil reducer.

## Disposal Instructions

- When disposing of the GRACOIL STANDARD RECOIL REDUCER, follow local regulations for disposal of metal products.
- Do not dispose of the product in a manner that could harm the environment or public safety.

## **Contact Information for Further Support**

For any questions or concerns regarding the GRACOIL STANDARD RECOIL REDUCER, please refer to the manufacturer's contact information included in the product packaging or visit the official website for support resources.

By following these safety instructions, you can ensure a safer and more enjoyable shooting experience with your GRACOIL STANDARD RECOIL REDUCER. Thank you for your attention to safety!
