# GUNSMITH CARDING BRUSH SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the GUNSMITH CARDING BRUSH from Brownells. This guide provides important safety instructions to ensure the safe and effective use of your carding brush. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to clean and maintain firearms.
- Always inspect the carding brush before use. Do not use if damaged or worn.
- Keep the carding brush out of reach of children and vulnerable individuals.
- Avoid using the product near flammable materials or in hazardous environments.
- Be aware of your surroundings and ensure that no one is in close proximity while using the brush.

## Specific Safety Precautions for Use

- Do not apply excessive force while using the brush, as this may damage the bristles or the firearm's finish.
- Use the brush in a wellventilated area to avoid inhaling any debris or particles.
- Wear safety goggles to protect your eyes from any flying debris during use.
- If you have sensitive skin, consider wearing gloves to avoid irritation from the bristles.
- Do not use the brush on surfaces that are not intended for cleaning with this tool, as this may cause scratches or damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather any additional cleaning supplies you may need.

### 2. Using the Carding Brush:

- Hold the brush by the hardwood handle to maintain a firm grip.
- Gently brush the surface of the firearm, using light strokes to avoid scratching.
- Focus on areas that require cleaning, such as the action and barrel.
- After use, clean the brush by removing any debris from the bristles.

### 3. Storage:

- Store the carding brush in a dry place, away from direct sunlight and moisture.
- Keep the brush in its original packaging or a safe container to prevent damage.

## Disposal Instructions

- When the carding brush reaches the end of its useful life, dispose of it responsibly.
- Check local regulations for proper disposal methods for tools and cleaning supplies.
- If the brush is damaged or broken, do not attempt to repair it. Dispose of it in accordance with local waste disposal guidelines.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the GUNSMITH CARDING BRUSH, please refer to the manufacturer's contact information provided with your product.

## Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your GUNSMITH CARDING BRUSH. Always prioritize safety and proper handling to maintain the integrity of both the tool and your firearms. Thank you for your attention to these guidelines.
