

# HEAVY-DUTY STRAIGHT WIRE GUNSMITH BRUSHES - BROWNELLS GUNSMITH HEAVY DUTY BRUSH, BRASS WIRE, STRAIGHT, 1 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Gun Cleaning Brushes](#)

## Stainless Steel, Brass Or Nylon Bristles Stitched-In Wood Handle

Our finest, small cleaning brushes. Stainless steel stitching laced all the way through the handle keeps the bristles in place and prevents pull-out under even the heaviest use. Made for the aircraft industry to exceed mil specs so you know they'll last in the gun shop too. Handle is 7-ply, no split laminate that stands up to all solvents and hard scrubbing. Available in three bristle materials to suit any job. Stainless Steel - Straight wire that gives a slightly softer scrubbing action but still holds its shape even with repeated use. Excellent for scrubbing and degreasing parts in solvent prior to polishing and refinishing. Brass - Straight wire for a gentler action that still gets through built-up grease, oils and fouling. Nylon - Tough, black nylon provides no-scratch cleaning of surfaces and recesses. SPECS: All have: .005" (.127mm) diameter bristles 3 rows of 7/16" (11.1mm) long bristles set 3/8" (9.6mm) wide Bristles are 1-3/8" (3.5cm) long Overall Length: 7.76" (19.7cm)

# Safety Instruction Guide for HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES

## Introduction

Thank you for choosing the HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES by BROWNELLS. These brushes are designed for effective cleaning in various applications, particularly in the gun shop and aircraft industries. To ensure your safety and the longevity of the product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure safe use of the product by following these guidelines:
  - Always use the product as intended, for cleaning and maintenance purposes only.
  - Keep brushes out of reach of children and vulnerable individuals.
  - Regularly inspect the brushes for any signs of damage or wear before use.
  - Use appropriate personal protective equipment (PPE) such as gloves and safety goggles during use.
  - Be aware of the cleaning materials you are using with the brushes, as some solvents may be hazardous.

## Specific Safety Precautions for Use

- When using the HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES, observe the following precautions:
  - **Stainless Steel Brushes:**
    - Use for scrubbing and degreasing parts only.
    - Avoid using on soft or easily scratched surfaces.
  - **Brass Brushes:**
    - Ideal for gentler cleaning; use on delicate surfaces.
    - Do not apply excessive force to prevent damage to the brush and the surface being cleaned.
  - **Nylon Brushes:**
    - Suitable for noscratch cleaning; use on sensitive surfaces and recesses.
    - Ensure that the brush is clean before use to avoid transferring dirt or debris.
- Always clean brushes after use to maintain their effectiveness and longevity.

## Instructions for Installation and Usage

- To use the HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES, follow these steps:
  1. Select the appropriate brush for your cleaning task based on the material and surface type.
  2. Apply the chosen cleaning solvent to the area you wish to clean.
  3. Hold the brush firmly by the handle and scrub gently in a backandforth motion.
  4. For stubborn deposits, increase pressure gradually, taking care not to damage the surface.
  5. After cleaning, rinse the area with water or wipe with a clean cloth to remove any residue.
  6. Clean the brush with warm soapy water, rinse thoroughly, and allow it to dry completely before storage.

## Disposal Instructions

- When the HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES reach the end of their life cycle, please dispose of them responsibly:
  - Check local regulations for proper disposal methods.
  - If the brushes are made of metal, consider recycling them where facilities exist.
  - Do not dispose of brushes in regular household waste if they are contaminated with hazardous

materials.

## **Contact Information for Further Support**

- For safety inquiries or further assistance, please refer to the product packaging or visit the manufacturer's website. Ensure you have the product name and any relevant details on hand when seeking support.

By adhering to these safety instructions, you can ensure a safe and effective experience with your HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES. Thank you for your attention to safety and proper usage.
