

# HEAVY-DUTY STRAIGHT WIRE GUNSMITH BRUSHES - BROWNELLS

## GUNSMITH HEAVY DUTY BRUSH, SS WIRE, STRAIGHT, 6 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Gun Cleaning Brushes](#)

### Stainless Steel, Brass Or Nylon Bristles Stitched-In Wood Handle

Our finest, small cleaning brushes. Stainless steel stitching laced all the way through the handle keeps the bristles in place and prevents pull-out under even the heaviest use. Made for the aircraft industry to exceed mil specs so you know they'll last in the gun shop too. Handle is 7-ply, no split laminate that stands up to all solvents and hard scrubbing. Available in three bristle materials to suit any job. Stainless Steel - Straight wire that gives a slightly softer scrubbing action but still holds its shape even with repeated use. Excellent for scrubbing and degreasing parts in solvent prior to polishing and refinishing. Brass - Straight wire for a gentler action that still gets through built-up grease, oils and fouling. Nylon - Tough, black nylon provides no-scratch cleaning of surfaces and recesses. SPECS: All have: .005" (.127mm) diameter bristles 3 rows of 7/16" (11.1mm) long bristles set 3/8" (9.6mm) wide Bristles are 1-3/8" (3.5cm) long Overall Length: 7.76" (19.7cm)

# Safety Instructions Guide for HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES

## Introduction

Thank you for choosing the HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES by Brownells. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the brushes to prevent any potential hazards.

## General Safety Guidelines

- Ensure safe use of the brushes by following these guidelines:
  - Always use the brushes as intended and according to the instructions provided.
  - Keep the brushes out of reach of children and vulnerable individuals.
  - Inspect the brushes before each use for any signs of damage or wear.
  - Do not use the brushes for purposes other than cleaning guns and related parts.
  - If you experience any discomfort or irritation while using the brushes, discontinue use immediately.

## Specific Safety Precautions for Use

- When using the brushes, please observe the following precautions:
  - Wear protective eyewear to shield your eyes from debris that may be dislodged during cleaning.
  - Use gloves to protect your hands from sharp bristles and any chemicals you may be using.
  - Ensure the area you are working in is wellventilated, especially when using solvents or cleaners.
  - Avoid using excessive force when scrubbing to prevent damage to the brushes and the items being cleaned.
  - Store the brushes in a dry location to prevent rust and degradation of materials.

## Instructions for Installation and Usage

- To use the HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES:
  1. Select the appropriate brush based on the material and cleaning needs:
    - Stainless Steel for scrubbing and degreasing.
    - Brass for gentler cleaning of buildup grease and oils.
    - Nylon for noscratch cleaning of surfaces.
  2. Apply the appropriate cleaning solvent to the area you wish to clean.
  3. Hold the brush firmly by the handle and scrub the surface gently.
  4. Rinse the area with clean water or solvent as necessary.
  5. After use, clean the brushes by rinsing them in water or solvent and allow them to dry completely.

## Disposal Instructions

- When disposing of the brushes, follow these guidelines:
  - Dispose of the brushes in accordance with local waste disposal regulations.
  - Do not dispose of the brushes in regular household waste if they are contaminated with hazardous materials.
  - Consider recycling options if available for the materials used in the brushes.

## Contact Information for Further Support

- For any safety inquiries or further assistance, please contact your local authorized distributor or refer to the manufacturer's website for contact details.

## Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your HEAVYDUTY STRAIGHT WIRE GUNSMITH BRUSHES. Always prioritize safety and handle the brushes with care. Thank you for your attention to these important guidelines.
