# Safety Instruction Guide for STARTER PUNCHES GRACE USA 5/32" (4MM) STARTER BRASS PUNCH

## Introduction

Thank you for choosing the STARTER PUNCHES GRACE USA. This product is designed for drifting sights, driving pins, and fitting parts. Proper use and care are essential to ensure safety and effectiveness. This guide provides important safety instructions and recommendations to help you use this product safely and effectively.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Be aware of the potential hazards associated with the use of brass punches, including:
  - Risk of injury from improper handling or misuse.
  - Risk of damage to the workpiece if used incorrectly.
- Use the product only for its intended purpose.
- Store the product in a safe and dry place, out of reach of children.
- Inspect the punches regularly for damage or wear before use.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including:
  - Safety goggles to protect your eyes from flying debris.
  - Gloves to protect your hands from sharp edges and impacts.
- Ensure that the work surface is stable and secure before using the punches.
- Do not use the punches on hard surfaces that may cause them to chip or break.
- Keep your hands and fingers clear of the striking area to avoid injury.
- Use a hammer or mallet that is appropriate for the size of the punch and the task at hand.
- Do not strike the punch at an angle; always use it perpendicularly to the work surface.
- If the punch becomes stuck, do not force it out. Instead, carefully remove it using appropriate tools.

## Instructions for Installation and Usage

### 1. Select the Appropriate Punch:

- Choose the correct size punch for your task from the Starter Punch Set, which includes:
  - 1/16"
  - 3/32"
  - 1/8"
  - 5/32"

### 2. Prepare the Work Area:

- Ensure that the work surface is clean and free of debris.
- Secure the workpiece to prevent movement during use.

### 3. Using the Punch:

- Position the punch at the desired location on the workpiece.
- Hold the punch firmly in place.
- Strike the punch with a hammer or mallet, ensuring a straight and controlled motion.
- Repeat as necessary, checking for the desired depth or fit.

#### 4. PostUse Care:

- Clean the punches after use to remove any debris or residue.
- Store the punches in the provided plastic storage pouch for easy access and protection.

## Disposal Instructions

- Dispose of the product responsibly.
- If the punches are damaged or worn beyond safe use, consider recycling the brass material where facilities exist.
- Follow local regulations for the disposal of metal products.

## Contact Information for Further Support

For any safety inquiries, product information, or assistance, please contact the designated EUbased support contact for this product. They can provide guidance on safe usage and address any concerns you may have.

## Reporting Unsafe Products

- If you notice any unsafe products or experience an accident while using this product, report it to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

By following these safety instructions, you can ensure a safe and effective experience with your STARTER PUNCHES GRACE USA. Thank you for your attention to safety, and enjoy your work!
