Exceptional Balance & Control For Precision Work

GUNSMITH'S BALLPEEN HAMMER The Grace USA Gunsmith's Ballpeen Hammer is a high-quality tool designed to meet the specific needs of gunsmiths and firearm enthusiasts. Made in the USA, this hammer combines durability, precision, and balance, ensuring exceptional performance for a variety of gunsmithing tasks.

Key Features:

- Solid Brass Construction:** The hammerhead is crafted from high-quality brass, offering durability and non-marring properties ideal for working with delicate firearm components.
- Hardened Steel Ballpeen End:** The ballpeen side is perfect for shaping, peening, and other detailed gunsmithing tasks that require precision.
- Ergonomic Hickory Handle:** Made from properly seasoned hickory, the handle provides a comfortable grip, reducing user fatigue and improving control during extended use.
- Precision Balance:** The hammer is engineered for optimal weight distribution, making it easy to handle while delivering precise strikes for both heavy-duty and intricate tasks.

Applications: The Grace USA Gunsmith's Ballpeen Hammer is perfect for tasks such as driving pins, peening metal, and performing precise adjustments during firearm assembly and maintenance. Its dual-purpose head ensures versatility and effectiveness across a wide range of applications.

Customer Feedback: Users consistently praise the hammer's craftsmanship, balance, and reliability. Many highlight its non-marring brass head and ergonomic handle as key features that make it indispensable for professional gunsmithing tasks.

Summary: The Grace USA Gunsmith's Ballpeen Hammer combines superior materials with expert design to deliver a reliable, versatile tool for gunsmithing and firearm maintenance. Whether you're a professional or an enthusiast, this hammer offers the precision and durability needed for a variety of detailed tasks.

Grace USA Gunsmith's Ballpeen Hammer Safety Instructions

Introduction

Thank you for choosing the Grace USA Gunsmith's Ballpeen Hammer. This highquality tool is designed for gunsmithing and firearm maintenance. To ensure your safety and the proper use of the hammer, please read this guide carefully.

General Safety Guidelines

- Always use the hammer for its intended purpose to avoid accidents.
- Inspect the hammer before each use. Do not use if damaged.
- Keep the hammer clean and free from debris to maintain functionality.
- Store the hammer in a dry place to prevent rust and damage.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the hammer.
- Ensure that your work area is welllit and free from hazards.
- Keep children and pets away from the work area during use.

Specific Safety Precautions for Use

- Do not strike the hammer against hard surfaces that may cause flying debris.
- Use the hammer only on materials that can withstand the impact without shattering.
- Avoid using excessive force; let the weight of the hammer do the work.
- Always maintain a firm grip on the hammer to prevent slippage during use.
- Do not use the hammer for tasks it was not designed for, such as prying or chiseling.
- Be cautious of your hands and fingers when striking to avoid injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure the work area is clean and organized.
- Gather all necessary tools and materials.

2. Using the Hammer:

- Hold the hammer by the hickory handle with a firm grip.
- Position the hammer's head against the workpiece.
- Swing the hammer in a controlled manner, allowing the weight to deliver the impact.
- For precision tasks, use the ballpeen end carefully to shape or peen metal.

3. PostUse Care:

- Clean the hammer after use to remove any residue or debris.
- Inspect the hammer for any signs of wear or damage.
- Store the hammer in a safe place, away from moisture and extreme temperatures.

Disposal Instructions

- When the hammer reaches the end of its useful life, dispose of it responsibly.
- Check local regulations for proper disposal methods for metal tools.

- Recycle materials when possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or additional information, please contact your local distributor or the manufacturer. Ensure you have the product details ready for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your Grace USA Gunsmith's Ballpeen Hammer responsibly and safely!
