Safety Instruction Guide for WINDAGE SCREWDRIVER GRACE USA

Introduction

Thank you for choosing the WINDAGE SCREWDRIVER GRACE USA. This manual provides essential safety instructions to ensure the safe and effective use of your screwdriver. Please read this guide carefully before using the product.

General Safety Guidelines

- Always use the screwdriver for its intended purpose.
- Keep the screwdriver out of reach of children.
- Inspect the screwdriver before each use for any signs of damage.
- Do not use the screwdriver if it is damaged or worn.
- Store the screwdriver in a safe place when not in use to prevent accidents.
- Follow all local regulations regarding the use and disposal of tools.

Specific Safety Precautions for Use

- Ensure that the screwdriver fits the windage screw slot properly to avoid slipping.
- Use the screwdriver with a steady hand and apply even pressure to prevent accidents.
- Avoid using excessive force when turning the screwdriver to prevent damage to the screw or the tool.
- Do not use the screwdriver for prying or as a lever.
- Wear safety goggles if working in a location where debris may be present.
- Keep your hands and other body parts away from the screwdriver's blade when in use.

Instructions for Installation and Usage

1. Selecting the Right Screwdriver:

- Choose the WINDAGE SCREWDRIVER GRACE USA for windage screws on Leupold®, Redfield®, and Burris® scope bases.

2. Using the Screwdriver:

- Align the screwdriver tip with the windage screw slot.
- Apply gentle pressure to insert the screwdriver into the slot.
- Turn the screwdriver in the appropriate direction (clockwise or counterclockwise) to adjust the windage screw.
- If you encounter resistance, stop and reassess the alignment of the screwdriver and screw.

3. PostUse Care:

- After use, clean the screwdriver with a dry cloth to remove any dirt or debris.
- Store the screwdriver in a dry place to prevent rust and damage.

Disposal Instructions

- Dispose of the screwdriver in accordance with local regulations.
- Do not dispose of the screwdriver in general waste if it is damaged; follow your local hazardous waste disposal guidelines.
