# Safety Instruction Guide for 6 Piece Micro Screwdriver Set Grace USA

## Introduction

Thank you for choosing the Grace USA 6 Piece Micro Screwdriver Set. This set is designed for precision tasks and is made from highquality materials to ensure durability and effectiveness. To ensure your safety and the optimal use of this product, please read and follow the safety guidelines outlined in this manual.

## General Safety Guidelines

- Always use the screwdrivers for their intended purpose.
- Keep the screwdrivers out of reach of children and vulnerable individuals.
- Inspect the screwdrivers before each use for any signs of damage or wear.
- Store the screwdrivers in a safe place to prevent accidents.
- Do not use the screwdrivers if they are damaged or if the handle is loose.

## Specific Safety Precautions for Use

- Ensure you are using the correct screwdriver type and size for the screw you are working with.
- Avoid applying excessive force when using the screwdrivers to prevent slipping or breaking.
- Use the screwdrivers in a welllit area to improve visibility and accuracy.
- Always wear safety glasses when working on projects that may cause debris to fly.
- Do not use the screwdrivers on live electrical circuits or components.

## Instructions for Installation and Usage

### 1. Selecting the Right Screwdriver:

- Choose the appropriate slotted or Phillips screwdriver based on the screw type.
- Ensure the tip width matches the screw head for a secure fit.

### 2. Using the Screwdriver:

- Hold the handle firmly and position the screwdriver tip into the screw head.
- Turn the screwdriver slowly and steadily in the appropriate direction (clockwise to tighten, counterclockwise to loosen).
- If resistance is met, remove the screwdriver and check for proper alignment before attempting again.

### 3. Maintaining the Screwdrivers:

- Clean the screwdriver tips after use to remove any debris or residue.
- Store the screwdrivers in a dry place to prevent rusting or corrosion.

## Disposal Instructions

- Dispose of the screwdriver set responsibly according to local regulations.
- Do not dispose of the screwdrivers in regular household waste if they are damaged.
- Consider recycling options for metal and wood components where available.
