COMPLETE 17-PIECE TOOL SET WITH BENCH BLOCK The Grace USA Complete 17-Piece Tool Set with Bench Block is a meticulously curated collection designed to meet the essential needs of gunsmiths and firearm enthusiasts. This comprehensive set provides the necessary tools for quick field repairs and maintenance, ensuring precision and care in handling firearms.

Description and Features: **Fixed Blade Screwdrivers:** The set includes eight fixed blade screwdrivers with parallel ground tips, specifically designed to fit most gun screws. This design ensures a secure fit, reducing the risk of damaging screw heads during maintenance. **Non-Marring Brass Pin Punches:** Eight non-marring brass pin punches are provided to facilitate the safe removal and installation of commonly found assembly pins without causing damage to the firearm's finish. **8-Ounce Brass Hammer:** An 8-ounce brass hammer complements the set, offering the appropriate weight and balance for gunsmithing tasks, ensuring controlled force application. **Neoprene Bench Block Tool Holder:** The tools are organized in a bench block made from 60 durometer Neoprene rubber, known for its excellent oil resistance, chemical stability, and vibration dampening properties. Neoprene remains stable over a wide temperature range, providing a durable and reliable tool holder.

Specifications: **Item Dimensions:** 16" (Length) x 6.5" (Width) x 1.75" (Height) **Item Weight:** 3 lbs **Materials:** Brass (punches and hammer), Neoprene (bench block), steel (screwdrivers) **Customer Insights:** Customers of the Grace USA Complete 17-Piece Tool Set with Bench Block appreciate its comprehensive selection of high-quality tools, noting that it effectively consolidates essential firearm maintenance implements into a portable and organized package. The precision and durability of the tools are frequently highlighted as standout features that enhance both the functionality and value of the kit. Incorporating the Grace USA Complete 17-Piece Tool Set with Bench Block into your firearm maintenance routine ensures that you are equipped with a versatile and reliable set of tools capable of addressing a wide array of tasks, thereby enhancing your efficiency and confidence in the upkeep and customization of your firearms.

Safety Instruction Guide for 17 Piece Tool Set with Bench Block

Introduction

Thank you for choosing the 17 Piece Tool Set with Bench Block by Grace USA. This comprehensive tool set is designed to assist you in essential gunsmithing tasks, ensuring you have the necessary tools for quick field repairs. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always use the tool set in accordance with the manufacturer's instructions.
- Keep the tool set out of reach of children and vulnerable individuals.
- Inspect tools before use for any signs of damage or wear.
- Use personal protective equipment (PPE) such as safety glasses and gloves when using tools.
- Store tools in a dry, cool place to prevent rust and damage.
- Dispose of any damaged tools properly to avoid injury.

Specific Safety Precautions for Use

- **Screwdrivers:**
 - Ensure the screwdriver tip fits the screw head properly to avoid slipping.
 - Do not use screwdrivers as prying tools or for any purpose other than intended.
- **Brass Pin Punches:**
 - Use brass pin punches only on surfaces that will not be damaged.
 - Ensure that the punch is aligned properly with the pin to avoid bending or breaking the punch.
- **Brass Hammer:**
 - Use the hammer only for driving pins or light assembly tasks.
 - Avoid striking hard surfaces to prevent damage to the hammer.
- **Bench Block:**
 - Ensure the bench block is stable and secure before use.
 - Use the bench block to support workpieces and avoid damaging surfaces.

Instructions for Installation and Usage

1. Setting Up the Bench Block:

- Place the bench block on a stable surface.
- Ensure that the block is clean and free from debris before use.

2. Using the Screwdrivers:

- Select the appropriate screwdriver for the screw you are working on.
- Insert the screwdriver tip into the screw head and turn clockwise to tighten or counterclockwise to loosen.

3. Using the Brass Pin Punches:

- Align the punch with the pin you wish to remove or install.
- Gently tap the punch with the brass hammer to drive the pin.

4. Using the Brass Hammer:

- Hold the hammer firmly by the handle.
- Strike the target area gently to avoid damage.

5. Cleaning and Maintenance:

- After use, clean each tool with a dry cloth to remove dirt and moisture.
- Store tools in their designated places in the bench block to maintain organization.

Disposal Instructions

- Dispose of any broken or unusable tools in accordance with local regulations.
- Consider recycling options for metal tools where applicable.
- Do not discard tools in regular household waste.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the product packaging or the manufacturer's website for contact details. Always ensure you have the latest information regarding safety recalls and product updates.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with your 17 Piece Tool Set with Bench Block.
