Safety Instruction Guide for 3 PLIER SET GRACE USA 6" NEEDLE NOSE PLIERS

Introduction

Thank you for purchasing the 3 PLIER SET GRACE USA 6" NEEDLE NOSE PLIERS. These pliers are handcrafted and 100% made in the USA, designed to meet your gunsmithing needs. This guide provides essential safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the instructions before using the pliers.
- Keep the pliers out of reach of children and vulnerable individuals.
- Inspect the pliers before each use to ensure they are in good working condition.
- Do not use the pliers for purposes other than their intended use.
- Store the pliers in a dry place to prevent rust and damage.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure your hands are dry and clean before handling the pliers to prevent slipping.
- Use proper hand protection (e.g., gloves) if necessary, especially when working with sharp or heavy materials.
- Avoid using excessive force when gripping or cutting to prevent injury.
- Be cautious of your surroundings and ensure you have a clear workspace.
- Do not use the pliers on live electrical wires or components.
- Do not modify the pliers in any way, as this could compromise their safety.

Instructions for Installation and Usage

1. Preparation

- Ensure the work area is clean and welllit.
- Gather all materials needed for your task.

2. Using the Pliers

- Hold the pliers by the handles, ensuring a firm grip.
- Position the needle nose of the pliers at the desired location.
- Squeeze the handles together gently to grasp the object.
- For cutting tasks, position the cutting edge on the material and apply steady pressure.

3. PostUse Care

- Clean the pliers after each use to remove dirt and debris.
- Wipe the pliers with a dry cloth to prevent moisture accumulation.
- Store the pliers in a protective case or designated storage area.

Disposal Instructions

- Dispose of the pliers responsibly at the end of their life cycle.
- Check local regulations for proper disposal methods for tools and metal products.
- If the pliers are damaged or no longer usable, consider recycling the materials if possible.
