[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Hammers](#)

**DELRIN-TIPPED BRASS HAMMER** The Grace USA Delrin-Tipped Brass Hammer is a high-quality tool designed for gunsmiths, firearm enthusiasts, and precision craftsmen. Manufactured in the USA, this hammer combines durability and precision, making it an essential addition to any toolkit. Key Features: Dual-Purpose Head: This hammer features a solid brass head for delivering strong, effective strikes and a replaceable Delrin tip for softer, non-marring impacts. This dual design ensures versatility for a range of gunsmithing tasks. Premium Brass Construction: The brass head is made from high-quality CDA 360 brass rod, hand-polished for exceptional durability and performance. Replaceable Delrin Tip: The Delrin tip provides a protective, non-marring surface, ideal for delicate tasks that require safeguarding finishes or intricate components. Ergonomic Hickory Handle: The handle, crafted from properly seasoned hickory, offers a comfortable grip and excellent control during extended use. It is securely pinned to the head for added stability.

Specifications: Face Dimensions: 1" Length of Head: 2.1" Overall Hammer: 10"

Applications: The Grace USA Delrin-Tipped Brass Hammer is ideal for tasks such as driving pins, aligning parts, and performing firearm assembly or maintenance. Its dual-head design offers flexibility, making it suitable for both heavy-duty and precision work. Customer Feedback: Users commend the hammer's exceptional craftsmanship, highlighting its durability and ergonomic design. Many reviewers appreciate the utility of the replaceable Delrin tip, which ensures precision while protecting sensitive surfaces. Summary: The Grace USA Delrin-Tipped Brass Hammer is a versatile and reliable tool for gunsmiths and firearm enthusiasts. With its premium materials and thoughtful design, it delivers the precision and durability required for a wide range of tasks, ensuring consistent and professional results.

# Safety Instruction Guide for the Grace USA DelrinTipped Brass Hammer

## Introduction

Thank you for choosing the Grace USA DelrinTipped Brass Hammer. This highquality tool is designed for gunsmiths, firearm enthusiasts, and precision craftsmen. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the hammer as intended. Misuse may lead to injury or damage.
- Inspect the hammer before each use. Check for any signs of wear or damage, particularly the Delrin tip and the handle.
- Keep the hammer out of reach of children and vulnerable individuals.
- Store the hammer in a safe and dry place to prevent corrosion or damage.
- Do not use the hammer if it is damaged or if the Delrin tip is worn out. Replace the tip as necessary.
- Be aware of your surroundings when using the hammer to avoid accidents.

## Specific Safety Precautions for Use

- Ensure you are wearing appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from debris.
- Use the hammer on a stable, secure surface to prevent slipping.
- When driving pins or aligning parts, ensure that your fingers and hands are clear of the striking area.
- Avoid striking hard surfaces with the Delrin tip to prevent damage to the tip and ensure its longevity.
- Do not use the hammer for tasks it was not designed for, such as prying or lifting heavy objects.

## Instructions for Installation and Usage

### • Installation of the Delrin Tip:

- Ensure the hammer is clean and dry.
- Align the replacement Delrin tip with the head of the hammer.
- Press firmly to secure the tip in place.
- Verify that the tip is properly seated before use.

### • Using the Hammer:

- Hold the hammer by the hickory handle with a firm grip.
- Position the brass head over the target area.
- Swing the hammer with controlled force to avoid overstriking.
- For delicate tasks, use the Delrin tip to prevent marring surfaces.

## Disposal Instructions

- Dispose of the hammer responsibly. If it is damaged beyond repair, consider recycling the brass and wood components where facilities exist.
- Follow local regulations for the disposal of tools and materials.

## Contact Information for Further Support

For any safety inquiries, concerns, or feedback regarding the Grace USA DelrinTipped Brass Hammer, please refer to the manufacturer's contact information provided with the product.

## Conclusion

By adhering to these safety instructions, you can ensure a safe and effective experience with your Grace USA DelrinTipped Brass Hammer. Always prioritize safety and proper usage to maximize the performance of this essential tool.
