# Safety Instructions for the BRASS PUNCH SET

## GRACE USA BRASS PIN PUNCH SET, 8 PC

### Introduction

Thank you for purchasing the BRASS PUNCH SET GRACE USA BRASS PIN PUNCH SET. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this manual carefully before use to ensure your safety and the proper functioning of the tool.

### General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the punch set.
- Keep the work area clean and welllit to avoid accidents.
- Ensure that the punches are used on the appropriate materials to prevent damage to the tool and injury to the user.
- Store the punch set in a dry place, away from moisture and extreme temperatures.
- Do not use the punch set for any purpose other than its intended use.
- Always inspect the punches for damage before use. Do not use any damaged tools.
- Keep the punch set out of reach of children and unauthorized users.

### Specific Safety Precautions for Use

- When using the punches, always secure the workpiece to prevent it from moving during use.
- Use a proper striking tool, such as a hammer, that is appropriate for the size and type of punch being used.
- Avoid striking the punch at an angle. Always strike directly on the punch head to prevent it from slipping.
- Do not use excessive force when driving the punch, as this may cause the punch to break or bend.
- If the punch gets stuck in the workpiece, do not force it out. Carefully remove it using appropriate tools.
- Be cautious of sharp edges and debris that may be created during the punching process.

### Instructions for Installation and Usage

#### 1. Preparation:

- Select the appropriate punch size for your task.
- Ensure that the workpiece is securely clamped or held in place.

#### 2. Using the Punch:

- Align the punch with the mark or area where you want to create the hole or drive the pin.
- Hold the punch firmly in place.
- Using a hammer, strike the punch head directly and firmly to drive it into the material.
- Repeat the process as necessary for multiple punches.

#### 3. PostUse Care:

- Clean the punches after use to remove any debris or material buildup.
- Inspect each punch for wear or damage before storing.
- Store the punch set in its designated case to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn punches in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, check for local recycling programs that accept metal tools.
- Ensure that any packaging materials are disposed of responsibly, following local recycling guidelines.
