GUN CARE TOOL SET GRACE USA Safety Instruction Guide

Introduction

Thank you for choosing the GUN CARE TOOL SET GRACE USA. This comprehensive 17piece tool set is designed to assist you in your gunsmithing needs. It is essential to follow safety guidelines to ensure safe and effective use of this tool set. This guide provides important safety information, instructions for use, and disposal guidelines in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand this safety instruction guide before using the tool set.
- Ensure that all tools are in good working condition before use.
- Keep the tool set out of reach of children and vulnerable individuals.
- Use the tools only for their intended purpose.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the tools.
- Store the tool set in a safe and dry place when not in use.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When using screwdrivers, ensure that the correct size and type is selected for the screw being worked on to avoid stripping.
- Use the brass hammer for driving punches and avoid using excessive force to prevent damage to the tools and potential injury.
- When using punches, ensure that your hands are clear of the striking area to avoid injury.
- Do not use the tools if you notice any signs of damage or wear.
- Avoid using the tools in wet or damp conditions to prevent slipping and potential accidents.

Instructions for Installation and Usage

1. Preparation

- Ensure you have a clean, flat workspace.
- Gather all necessary tools from the set.

2. Using Screwdrivers

- Select the appropriate screwdriver based on the size of the screw.
- Insert the screwdriver tip into the screw head and turn clockwise to tighten or counterclockwise to loosen.
- Apply even pressure and avoid using excessive force.

3. Using Punches

- Choose the correct size punch for the pin you are removing or installing.
- Position the punch over the pin and gently tap it with the brass hammer to drive it in or out.
- Ensure your hands are clear of the striking area.

4. Using the Brass Hammer

- Use the brass hammer to strike punches or other tools as needed.
- Avoid using the hammer for any purpose other than intended.

5. Cleaning and Maintenance

- After use, clean the tools with a soft cloth to remove any debris or residue.
- Store the tools in the padded vinyl case to protect them from damage.

Disposal Instructions

- Dispose of the tool set in accordance with local regulations.
- Do not dispose of tools in regular household waste.
- Check for specific disposal guidelines for metal and plastic components in your area.
