# BRASS PUNCH SET GRACE USA Safety Instruction Guide

## Introduction

Thank you for choosing the BRASS PUNCH SET GRACE USA. This guide provides essential safety instructions to ensure the safe and effective use of your punch set. Please read this manual thoroughly before use.

## General Safety Guidelines

- Ensure that the punch set is used only for its intended purpose: drifting sights, driving pins, and fitting parts.
- Always inspect the punch set for any damage or wear before use. Do not use damaged tools.
- Keep the punch set out of reach of children and vulnerable individuals.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the punch set.
- Ensure that your work area is clean, dry, and welllit to prevent accidents.

## Specific Safety Precautions for Use

- Use the correct size punch for the job to avoid damaging the workpiece or the tool.
- Always secure the workpiece in place before using the punch to prevent movement during operation.
- Do not apply excessive force when using the punch. If the punch does not move easily, stop and reassess the situation.
- Avoid using the punch set on hard materials that may cause the punch to chip or break.
- If the punch becomes stuck, do not attempt to force it out. Instead, seek assistance or use appropriate tools to remove it safely.

## Instructions for Installation and Usage

### 1. Preparation:

- Select the appropriate punch size for your task from the set, which includes 1/16", 3/32", 1/8", 5/32", 3/16", 7/32", 1/4", and 5/16" diameters.
- Ensure that the workpiece is securely clamped or held in place.

### 2. Using the Punch:

- Align the punch with the intended mark or point on the workpiece.
- Hold the punch perpendicular to the surface of the workpiece.
- Gently tap the end of the punch with a hammer or mallet to drive the punch into the material.
- Continue tapping until the pin or component is driven out or the desired depth is reached.

### 3. PostUse Care:

- Clean the punch set after use to remove any debris or residue.
- Store the punch set in a dry place, away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of any damaged or worn punches responsibly.
- Follow local regulations for the disposal of metal tools.
- Consider recycling the brass material if applicable.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the BRASS PUNCH SET GRACE USA, please refer to the manufacturer's contact details provided on the packaging or product insert.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your BRASS PUNCH SET GRACE USA. Always prioritize safety and take the necessary precautions to protect yourself and others while using this product. Thank you for your attention to safety!
