# BRASS PUNCH SET GRACE USA 3/16" Safety Instruction Guide

## Introduction

Thank you for choosing the BRASS PUNCH SET GRACE USA 3/16" (4.8MM) BRASS PIN PUNCH. This product is designed for drifting sights, driving pins, and fitting parts. Proper use and handling are essential to ensure your safety and the longevity of the product. This guide provides important safety instructions and guidelines for the safe use of this punch set, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Use the product only for its intended purpose as specified.
- Keep the punch set out of reach of children and vulnerable individuals.
- Inspect the punch set for any damage or wear before each use.
- Avoid using the punch set if it appears to be defective or damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, while using the punch set.
- Ensure that the work area is clean, welllit, and free of obstacles to prevent accidents.
- Use the punch set on a stable surface to avoid slipping during use.
- Do not apply excessive force when using the punches; this may cause injury or damage to the tool.
- Always use the correct size punch for the task at hand to prevent breakage or injury.
- Avoid striking the punch with hard tools; use a hammer designed for use with brass punches.
- Do not use the punch set for any purpose other than its intended use.

## Instructions for Installation and Usage

### 1. Selecting the Right Punch:

- Choose the appropriate size punch from the set: 1/16", 3/32", 1/8", 5/32", 3/16", 7/32", 1/4", or 5/16" diameter.

### 2. Preparation:

- Ensure the workpiece is secured and stable before beginning.
- Mark the area where the punch will be used.

### 3. Using the Punch:

- Position the punch on the marked area.
- Hold the punch firmly with one hand while using a hammer with the other hand to strike the punch lightly.
- Gradually increase the force of the strikes as needed, ensuring control throughout the process.

### 4. After Use:

- Clean the punches after use to remove any debris or residue.

- Store the punch set in a dry place to prevent corrosion.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the punch set in regular household waste.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For any questions or concerns about the BRASS PUNCH SET GRACE USA 3/16", please refer to the contact information provided in the product packaging or user manual. Ensure you have the product details ready when seeking assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the BRASS PUNCH SET GRACE USA 3/16". Thank you for your attention to safety.
