# Safety Instruction Guide for BRASS PUNCH SET GRACE USA 7/32" (5.3MM) BRASS PIN PUNCH

## Introduction

Thank you for choosing the BRASS PUNCH SET GRACE USA. This set is designed for drifting sights, driving pins, or fitting parts, ensuring precision in your tasks. Proper use and safety precautions are essential to maximize performance and minimize risks. This guide provides vital safety instructions and guidelines to ensure your safety while using this product.

## General Safety Guidelines

- Always read the entire instruction manual before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the punch set for any damage or wear before each use.
- Use the punches for their intended purpose only.
- Ensure a stable work surface to prevent accidents during use.
- Wear appropriate personal protective equipment, such as safety glasses and gloves.
- If you experience any discomfort or notice any irregularities while using the product, stop immediately and consult a professional.

## Specific Safety Precautions for Use

- **Avoid Striking Hard Surfaces:** Do not use the punches on surfaces that may cause the punch to chip or break.
- **Proper Grip:** Always hold the punch firmly to avoid slipping during use.
- **Use a Hammer with Care:** When striking the punch, use a hammer that is appropriate for the punch size and material to prevent damage.
- **Work in a WellLit Area:** Ensure your workspace is welllit to avoid accidents.
- **Do Not Modify the Product:** Altering the punches in any way can compromise safety and performance.
- **Store Properly:** After use, store the punch set in a dry place to prevent corrosion or damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure the work area is clean and free from clutter.

### 2. Selecting the Right Punch:

- Choose the appropriate size punch for the task (available sizes: 1/16", 3/32", 1/8", 5/32", 3/16", 7/32", 1/4", 5/16").
- Check that the punch is free from damage.

### 3. Using the Punch:

- Position the punch on the desired location of the workpiece.
- Hold the punch steady with one hand.
- With the other hand, use a hammer to strike the end of the punch gently, ensuring a controlled force.
- For deeper penetration, repeat the striking process as necessary.

#### 4. PostUse Care:

- Clean the punches after use to remove any debris or residue.
- Inspect the punches for any signs of wear or damage.
- Store the punch set in its original packaging or a suitable storage container.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consider recycling the materials where possible.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or product concerns, please reach out to the designated EU contact point for assistance. Ensure you have your product details available for reference.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the BRASS PUNCH SET GRACE USA. Always prioritize safety and proper handling to achieve the best results in your projects. Thank you for your attention to these important safety measures.
