Safety Instruction Guide for BRASS PUNCH SET GRACE USA 1/4" (6.4MM) BRASS PIN PUNCH

Introduction

Thank you for choosing the BRASS PUNCH SET GRACE USA. This product is designed for drifting sights, driving pins, and fitting parts. Proper use and handling are essential for ensuring safety and achieving optimal performance. This guide provides important safety instructions and guidelines to help you use this product safely and effectively.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the work area is clean, welllit, and free from distractions.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the punches before use for any signs of damage or wear.
- Do not use the punches for any purpose other than intended.

Specific Safety Precautions for Use

- Use only on materials that are appropriate for the size and type of punch being used.
- Avoid striking the punches with excessive force, which may cause breakage or injury.
- Always secure the workpiece to prevent movement during use.
- Do not use punches that are bent, cracked, or otherwise damaged.
- Maintain a safe distance from others while using the punches to prevent accidental injury.
- If using in a workshop or industrial environment, ensure that all safety protocols specific to that environment are followed.

Instructions for Installation and Usage

1. Preparation:

- Select the appropriate punch size for your application from the set, which includes: 1/16", 3/32", 1/8", 5/32", 3/16", 7/32", 1/4", and 5/16" diameters.
- Ensure that the workpiece is securely clamped in place to avoid movement.

2. Using the Punch:

- Align the punch with the desired location on the workpiece.
- Hold the punch firmly and strike the end with a hammer in a controlled manner.
- Avoid excessive force; if the punch does not penetrate, reassess the alignment and the force being applied.

3. PostUse:

- After use, clean the punches to remove any debris or residue.
- Store the punches in a safe, dry place, preferably in their original packaging or a designated tool organizer.

Disposal Instructions

- Dispose of any damaged or worn punches responsibly. Do not throw them in regular trash.
- Check local regulations for proper disposal methods of metal tools.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe conditions, please reach out to the designated EU-based contact for this product. Ensure that you have your product details and any relevant information ready for efficient assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the BRASS PUNCH SET GRACE USA. Always prioritize safety and take necessary precautions to protect yourself and others while using this product. Thank you for your attention to these guidelines.
