

MAUSER 98 M70-STYLE BOLT SHROUD WITH SAFETY - DAKOTA ARMS MODEL 70-STYLE SHROUD

[Rifle Parts](#) > [Bolt Parts](#) > [Cocking Parts](#) > [Cocking Pieces & Shrouds](#)

Final Professional Touch For Mauser Modifications

Classic Model 70-style safety and bolt shroud for the equally classic Mauser action. Combines the gas deflecting design of the original Mauser bolt shroud with the three-position, side-swing safety of the Model 70 for better scope clearance. Supplied in-the-white. Gunsmith installation required.

MAUSER 98 M70STYLE BOLT SHROUD WITH SAFETY DAKOTA ARMS MODEL 70STYLE SHROUD

Introduction

Thank you for choosing the MAUSER 98 M70Style Bolt Shroud with Safety from Dakota Arms. This product is designed to enhance the functionality and safety of your Mauser action rifle. Please read this safety instruction guide carefully to ensure proper use and installation, and to understand the necessary precautions for safe handling.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Be aware of potential hazards associated with the installation and use of the bolt shroud.
- Always handle firearms in a responsible manner, following local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the bolt shroud with the compatible Mauser model.
- Ensure the firearm is unloaded before installation or maintenance.
- Avoid using the product in wet or humid conditions to prevent rusting.
- Do not modify the bolt shroud; alterations can compromise safety.
- Use appropriate tools and protective gear during installation.
- Always verify that the safety mechanism is functioning properly after installation.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including screwdrivers and wrenches.
- Ensure your workspace is clean and welllit.

2. Installation Steps:

- Ensure the firearm is completely unloaded.
- Remove the existing bolt shroud from the Mauser action by loosening the screws.
- Align the new MAUSER 98 M70Style Bolt Shroud with the action.
- Secure the bolt shroud in place using the provided screws.
- Confirm that the threeposition, sideswing safety is correctly installed and operational.

3. PostInstallation Check:

- After installation, check that the bolt shroud is securely attached.
- Test the safety mechanism several times to ensure it engages and disengages smoothly.
- If any issues arise, consult a qualified gunsmith for assistance.

Disposal Instructions

- When disposing of the product, follow local regulations regarding the disposal of metal components.
- Do not throw the product in regular household waste.

- Consider recycling the metal parts where possible.

Contact Information for Further Support

For additional support or inquiries regarding the MAUSER 98 M70Style Bolt Shroud, please refer to the manufacturer's website or contact the retailer from whom you purchased the product. It is important to have a reliable source for assistance and information about the product.

By following these guidelines and instructions, you can ensure the safe and effective use of your MAUSER 98 M70Style Bolt Shroud with Safety. Thank you for your attention to safety and for choosing our product.
