Safety Instruction Guide for Grobet USA Swiss Pattern Precision Files

Introduction

Thank you for choosing the Grobet USA Swiss Pattern Precision Files. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your files. Please read this document carefully before using the product.

General Safety Guidelines

- Always inspect the files for any damage or defects before use. Do not use damaged files.
- Keep files out of reach of children. These tools are not intended for use by individuals under the age of 18.
- Use files only for their intended purpose. Misuse can lead to injury or damage to the tool.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the files.
- Ensure that your work area is clean and welllit to avoid accidents.
- Store files in a dry place to prevent rust and deterioration.

Specific Safety Precautions for Use

- When using files, hold the workpiece securely to prevent slipping.
- Avoid applying excessive pressure while filing; let the file do the work.
- Do not use files on materials that are too hard for them, as this can cause damage to both the file and the material.
- Be cautious of sharp edges and points on the files. Handle with care to avoid cuts and injuries.
- Always file away from your body to minimize the risk of injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials for your project.
- Ensure your work area is clean and organized.

2. Using the Files:

- Select the appropriate file for your task based on the size and shape of the workpiece.
- Hold the handle firmly and position the file at the desired angle against the workpiece.
- Apply light pressure while moving the file back and forth along the surface of the workpiece.
- Use the doubleended feature of the files to access tight spots and corners effectively.

3. PostUse Care:

- Clean the files after use to remove any debris or metal shavings.
- Store files in their designated case or holder to protect them from damage.

Disposal Instructions

- Dispose of any damaged or unusable files in accordance with local regulations.
- Do not dispose of files in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please contact the manufacturer or refer to the official website for more information.

By following these safety guidelines and instructions, you can ensure a safe and productive experience with your Grobet USA Swiss Pattern Precision Files. Thank you for your attention to safety!
