# Safety Instruction Guide for SWISS PATTERN PARALLEL ROUND FILE

## Introduction

Thank you for choosing the SWISS PATTERN PARALLEL ROUND FILE by Grobet File Co. of America Inc. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safety and the effective use of this product.

## General Safety Guidelines

- Ensure that the file is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the file.
- Keep the workspace clean and welllit to avoid accidents.
- Store the file in a safe place, out of reach of children and vulnerable individuals.
- Regularly inspect the file for damage or wear. Do not use if it is damaged.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Avoid applying excessive force while using the file to prevent injury and damage to the workpiece.
- Do not use the file for cutting or grinding materials that exceed its intended use, such as hard metals beyond its capacity.
- Ensure that the workpiece is securely clamped or held in place to prevent movement during use.
- Be cautious of sharp edges and points on the file. Handle with care to avoid cuts or punctures.
- Do not use the file near flammable materials or in explosive environments.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that you have adequate lighting and a clean workspace.

### 2. Using the File:

- Hold the file with a firm grip, using both hands if necessary for better control.
- Position the file at the desired angle relative to the workpiece.
- Use smooth, even strokes to remove material. Start with light pressure and increase as needed.
- For adjusting holes, use the file in a backandforth motion to achieve the desired size and shape.
- Regularly check your progress to ensure accuracy.

### 3. PostUse Care:

- Clean the file after each use to remove metal shavings or debris.
- Store the file in a protective case or sheath to prevent damage and ensure safety.

## Disposal Instructions

- Dispose of the file in accordance with local regulations for metal waste.
- If the file is damaged beyond repair, consider recycling it if possible.
- Do not dispose of the file in regular household waste to prevent injury to waste management personnel.
