

# HALF-ROUND VULCANITE FILE - GROBET FILE CO. OF AMERICA INC

## 1/2 ROUND VULCANITE FILE

[Gunsmith Tools](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Wood Files](#)

### 4 Cutting Faces In One File

We've had lots of calls wanting us to find this file - and once you've tried it, you'll know why. Gives you 4 different cutting faces: half-round bastard, flat bastard, half-round 2nd cut and flat 2nd cut. Because of special shape, you can get into places easily where a square-ended file just won't fit. Fantastic for shadowline cheekpieces, shaping combs or schnables, inletting bolt knobs, around the wrist, tang and grip. Great on hard rubber, soft metals, plastics and wood.

# Safety Instructions for HALFROUND VULCANITE FILE

## Introduction

Thank you for choosing the HALFROUND VULCANITE FILE from Grobet File Co. of America Inc. This file is designed to provide versatility and efficiency in various applications. To ensure safe usage and maximize the benefits of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when using the file.
- Keep the work area clean and welllit to avoid accidents.
- Ensure that the file is in good condition before use. Inspect for any signs of damage or wear.
- Use the file only for its intended purpose as described in this guide.
- Keep the file out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the file on stable surfaces to prevent slipping and to maintain control.
- Avoid applying excessive force when using the file. Let the tool do the work to prevent injury.
- Do not use the file on materials that exceed the file's intended use, such as extremely hard metals that may damage the cutting edges.
- Be cautious when filing near your hands or body to prevent accidental cuts or abrasions.
- Store the file in a safe place when not in use, preferably in a protective case or sheath to prevent injuries.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the workpiece is securely clamped or held in place.
- Select the appropriate cutting face of the file based on the task at hand (halfround bastard, flat bastard, halfround 2nd cut, or flat 2nd cut).

### 2. Using the File:

- Hold the file with a firm grip, ensuring your hands are positioned away from the cutting edge.
- Start filing with light pressure, using long, smooth strokes in one direction.
- Check the progress frequently to avoid overfiling and ensure the desired shape or finish.

### 3. PostUse Care:

- Clean the file after use to remove debris and prevent clogging of the cutting surfaces.
- Inspect the file for any signs of wear or damage before storing it.

## Disposal Instructions

- Dispose of the file in accordance with local regulations regarding metal and tools.
- Do not throw the file in regular household waste if it is damaged or broken; instead, take it to a designated recycling center.

## **Contact Information for Further Support**

For any inquiries related to safety or product information, please refer to the contact details provided on the product packaging or the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority, and following these guidelines will help ensure a safe and effective experience with your HALFROUND VULCANITE FILE.
