Introduction

Thank you for choosing the SMALL, SOLID BRASS HAMMER by Grobet File Co. of America Inc. This guide provides important safety instructions to ensure safe and effective use of the hammer. Please read this document carefully before using the product.

General Safety Guidelines

- Always inspect the hammer before use. Check for any signs of damage or wear.
- Use the hammer only for its intended purpose. Do not use it for tasks that could cause injury or damage.
- Keep the hammer out of reach of children and vulnerable individuals.
- Ensure that your work area is clean and free of obstacles to prevent accidents.
- Wear appropriate personal protective equipment (PPE), such as safety goggles, gloves, and steeltoed shoes.
- Report any unsafe product conditions to the appropriate authorities.

Specific Safety Precautions for Use

- Use the hammer with a firm grip and apply controlled force to avoid slipping.
- Avoid using the hammer near fragile objects or surfaces that could be damaged.
- Do not strike the hammer against hard surfaces that could cause it to chip or break.
- Always direct the hammer away from yourself and others while in use.
- If the hammer becomes damaged, discontinue use immediately and replace it.

Instructions for Installation and Usage

- **Installation:**
 - The hammer is ready to use out of the box. No assembly is required.
- **Usage:**
 - Hold the hammer by the hardwood handle with a firm grip.
 - Position the hammer in line with the target object.
 - Swing the hammer with a controlled motion, applying force as needed.
 - After use, store the hammer in a safe place, away from children and pets.

Disposal Instructions

- Dispose of the hammer responsibly. If it is damaged beyond repair, consider recycling the metal components where possible.
- Follow local regulations for disposal of tools and hardware.
