

# OCTAGON BARREL BEDDING TOOL - GUNLINE BARREL BEDDING TOOL, 3/4" (19.0MM)

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

## Cuts Channel To Final Size; Saves Hours Of Hand Work

Rubber mounted, chatter-free cutters, shave out excess wood without "digging in". Leaves barrel channel smooth and ready for barrel, without gouging, rasping or final sanding. A real time and work saver. Cushioned cutter design keeps hardened steel cutter discs at correct angle to remove wood regardless of amount of pressure. A single blade can be secured to handle for final touch-up.

# Safety Instruction Guide for OCTAGON BARREL BEDDING TOOL GUNLINE BARREL BEDDING TOOL, 3/4" (19.0MM)

## Introduction

Thank you for choosing the OCTAGON BARREL BEDDING TOOL from GUNLINE. This tool is designed to help you achieve precise barrel bedding with ease. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read and understand the user manual before operating the tool.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of wear or damage.
- Use the tool only for its intended purpose as described in the manual.
- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves.
- Ensure your work area is clean, welllit, and free from distractions.
- Store the tool in a dry place when not in use, and ensure it is secured to prevent unauthorized access.

## Specific Safety Precautions for Use

- **Cutting Hazards:** The tool has sharp cutters. Handle with care to avoid cuts or injuries.
- **Pressure Control:** Apply only the necessary pressure while using the tool to prevent accidents and damage.
- **Dust and Debris:** Wood shavings and dust can create a hazard. Use a dust mask if necessary and clean up the work area regularly.
- **Tool Stability:** Ensure the tool is stable and secure during use to prevent slipping or accidents.
- **Avoid Distractions:** Focus on your work and avoid distractions that may lead to accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the bedding tool, handle, cutters, screws, and pins.
- Ensure your workspace is clean and organized.

### 2. Assembling the Tool:

- Attach the handle to the bedding tool securely.
- Select the appropriate cutter based on your project needs and install it according to the instructions provided.
- Ensure that all screws and pins are tightened and secure.

### 3. Using the Tool:

- Position the tool over the barrel channel you wish to work on.
- Hold the tool firmly with both hands and apply a steady, controlled pressure.
- Move the tool smoothly along the channel, allowing the cutter to shave off the excess wood without digging in.
- For final touchups, secure a single blade to the handle as needed.

#### 4. PostUse Care:

- Clean the tool after each use to remove wood shavings and debris.
- Inspect the cutters for wear or damage and replace them as necessary.
- Store the tool in a safe location away from children and pets.

## Disposal Instructions

- Dispose of the tool and any components in accordance with local regulations.
- If the tool is damaged beyond repair, ensure it is rendered unusable before disposal to prevent accidents.
- Recycle materials where possible, following your local recycling guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the OCTAGON BARREL BEDDING TOOL, please refer to the manufacturer's contact information provided with your product purchase. Ensure you have your product details ready for reference.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with your OCTAGON BARREL BEDDING TOOL.
